RFP 21-11: Kaufman County Road Bond Projects - Approximately 45 miles of County Road Construction

RFP - Posted Questions and Answers

No.	Question	Answer	Date Posted
1.)	NTPR Planroom - please activate the Planholders List button	The county has decided not to make the Planholders List public for this project.	03/29/2021
2.)	What is the estimated cost range?	The county has decided not to include a cost estimate for this project. It is up to the contractor to decide if they would like to submit bids for one road, multiple roads, or all of the roads which means the total bid amounts could vary greatly.	03/29/2021
3.)	Are there plans for this project?	Exhibit C includes an overall scope exhibit for each of the 25 roads. It is assumed that the proposed grades will all match the existing grades, and there has not been a full engineering design performed for these projects.	03/30/2021
4.)	How will these projects be awarded? Will one contractor be awarded a contract for all of the roads?	The county will evaluate bids received for each road individually, and has the option to award all road contracts together or to break the roads into groups with a different contractor for each grouping. The county will make this decision based on the bids received, and what makes the most sense from a scheduling and budget perspective.	03/30/2021
5.)	Is the Contractor or Owner responsible for Material Testing?	The Owner will pay for materials testing directly and the Contractor will be responsible for coordinating the testing and providing test results to the Owner.	04/01/2021
