TO: All Bidders

FROM:  Boyce H. Evans, Purchasing Agent

SUBJECT: Addendum No. 1 – Second Creek Greenway Project

BIDS TO BE OPENED: March 31, 2017, at 11:00:00 a.m. Eastern Time

This addendum is being published to respond to a question asked by a potential bidder regarding the above-referenced Letter of Interest. This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

Question 1: Does the City envision construction of a new bridge over Second Creek, or will the existing McGhee Avenue bridge over the creek be modified as part of the scope of this greenway project?

Response: The City envisions utilizing the existing McGhee Avenue bridge over Second Creek near Blackstock Avenue. There is currently enough width to widen the sidewalk on the existing bridge to accommodate this greenway connection and still provide two lanes for vehicular traffic.
