	MANDATORY PRE-BID MEETING AND SITE VISIT	Thursday, November 18, 2021, at 3:00 p.m. local time
RFB OPENING DATE	Tuesday, December 7, 2021, at 3:00 p.m. local time	

COVID-19 PROTOCOLS FOR THE MANDATORY PRE-BID MEETING AND MANDATORY SITE VISIT:

As part of the effort to maintain the health and safety of Clayton County Water Authority (CCWA)'s personnel – as well as visitors – CCWA has put in place the following procedures, practices, and protocols:

- A: Each visitor shall complete the COVID-19 Health Assessment via **DOCS Health Works**. Download the **DOCS Health Works app** based on your device by going to the Apple Store or Google Play. DOCS Health Works is also available by internet at:
<https://secure.dentrustocs.com/docs/covidscreening/weblogin>.
- B: Once the DOCS Health Works app is installed, click the icon to open the program. Complete the fields as follows:
 - a. ID is **VISITOR**.
 - b. Location Code is **GTW3**.
 - c. Click Next. Enter your personal email and telephone number.
 - d. Create a 4-digit pin. Click Submit.
 - e. You are now registered in the system.
- C: Complete the COVID-19 health assessment on the app or website. If everything is within normal parameters, you will receive a QR code for identification (this QR code is good for 24 hours).
- D: When you arrive to the facility, present the QR code to the CCWA staff.
- E: Visitor(s) shall provide, wear, and use their own Personal Protective Equipment (PPE), face mask/covering, gloves, and disinfectant while in public areas for the duration of the Project site visit. The entire property of the Project site is considered a “public area”. This also applies to Workers/Contractors who perform work outside unless they are able to socially distance.
- F: Visitor(s) shall practice physical (social) distancing while at the Project site by providing others a personal space of at least six (6) feet during the visit.
