***ADDENDUM ONE***

Solicitation: RFP 2019-043  
Solicitation Name: Union Hill Road at Lower Union Hill Road  
Intersection Improvements  
Addendum Release Date: Friday, May 3, 2019

**Question 1:** Regarding the PSA, are you willing to except edits to the original PSA? How would you like any changes to be submitted to you?

**Response:** Exceptions to the County's standard PSA should be noted on a separate piece of paper and should reference the specific section in the agreement. Any exceptions will be reviewed by legal and may or may not be considered.

**Question 2:** Does the scope of services require the design of stormwater management facilities such as detention ponds or water quality treatment?

**Response:** No, this project does not have MS4 requirements.

**Question 3:** Does the scope of services include utility coordination and/or design?

**Response:** The selected engineer is required to coordinate with utilities in the area of the project.

**Question 4:** Does the scope of services include right of way acquisition?

**Response:** Right of way acquisition will be done by Cherokee County. The selected engineering firm is required to prepare right of way plans.

**Question 5:** The scope of services includes electronic files and drawings. Are there any specific file format requirements (ie, pdf, dwg, dgn, etc)

**Response:** PDF and DWG files are preferred.
