### Questions and Answers:

- Documents state on page 10 of RFP, that a General Contractor's License is required. It appears all
1. construction could be completed by a Civil Contractor holding and Excavation and Underground Utility license. Please confirm if CUC license is acceptable.

**This is not within the scope of an underground utility license. Underground utility contractors could however, run any underground utilities involved with the project.**

**The following contractors may issue a bid for this type of construction:**

Certified Building Contractor  
Certified General Contractor  
Marine Contractor  
State Specialty Structure Contractor

**Any electrical or plumbing installations would need to be done by those respective contractors, sub-contracted though one of the above-mentioned licenses.**

2. Is there a project estimate for this job?  
**\$250,000.00**
