

LITCHFIELD ELEMENTARY SCHOOL DISTRICT #79

**SOLICITATION AMENDMENT NO. ONE (1)
IFB 21009
02/18/2021**

This Amendment supplements and amends the original scope of services and becomes a part of the Contract Documents. In case of conflict between the original Specifications and the Amendment, this Amendment shall govern. The Offeror must take careful note of this Amendment.

Offeror should submit a signed copy of this Amendment to the Litchfield School District Purchasing Department, preferably with your properly marked IFB package. It may also be submitted in a separate sealed envelope, plainly marked with the IFB number and title.

Vendor hereby acknowledges receipt of the above amendment:

COMPANY NAME

SIGNATURE

DATE

Page 15. Number 15. Fingerprint Requirements

Is this required to submit with the bid documents or if requested by the Purchasing Department?
This requirement is not applicable and Fingerprint cards will not be necessary.

Page 21. Minimum of four seats with CE White Integrated Car Seat (8 car seats)

Request to use IMMI Safeguard ICS seat. Two ICS per IMMI seat. Will the District consider this an approved equal?
Yes.

Page 21. Condenser/Evaporator combo to be roof mounted.

This is not in line with the rest of the specifications for front and rear mounted evaporators. Does the District want a roof mounted combo unit or front/rear bulkhead evaporators with a rooftop condenser?
Front/rear bulkhead evaporators will a rooftop condenser.

Page 22. Stepwell/Dome Lights Specifications.

The District is asking for LED lights on all external lights except the headlights. Does the District wish for incandescent or LED interior dome lights?

The District has no preference.

Page 21/22. Service Door

The District does not specify if they require a right and left handrail on the entrance steps. What does the District require?

Left side handrail only.

Page 20. Radiator.

The District does not specify if they desire/require upgraded radiator hosing with constant torque clamps. Black standard rubber hose with screw clamps are what will be supplied if an upgrade is not specified.

The District does not desire/require upgraded radiator hosing and clamps.

Page 22. Heaters

The District does not state if they require upgraded heater hoses and constant torque clamps on the heaters or standard black rubber with screw clamps. Which does the District desire on this bus?

The District does not desire/require upgraded heater hosing and clamps.
