**Purchasing Division**

**NOTICE OF WITHDRAWAL OF ITB**

September 19, 2017

Re: ITB 17-031 Lake Jackson Watershed Hydrology Groundwater, Meteorology and Surface Water/Stream Flow Sensor Station Acquisition and Installation

Dear Prospective Bidders:

Please be advised, that a "Notice of Official Withdrawal of ITB" has been implemented for ITB 17-031.

The decision has been made to withdraw and re-advertise this ITB due to low attendance at the Mandatory Pre-Bid Meeting.

A future ITB for this project will be issued.

Any questions concerning the withdrawal of the ITB should be addressed to the Business Services Director.

Thank you for your interest in doing business with the Highlands County Board of County Commissioners.

Sincerely,

Tasha Morgan  
Business Services Director, HCBCC  
600 S. Commerce Ave., Sebring, FL 33870
