

ADDENDUM NO. III

DATE: November 17, 2016
TO: All Bidders
FROM: Janice McClelland, Assistant Purchasing Agent
SUBJECT: Addendum No. 3 – Mowing Services
BIDS TO BE OPENED: November 30, 2016, at 11:00:00 a.m.

This addendum becomes a part of the Contract Documents and modifies the original specifications as noted.

Question Submitted to the Office of the Purchasing Agent

If I get the mowing contract, am I supposed to trim up to the trees? Mulch is overgrown with weeds in some areas or almost gone altogether.

The City's horticulture crews will re-mulch the tree rings that exist on the small trees this winter. During the mowing season, City crews will spray those trees. This will eliminate the need to weed eat around those trees. However, contractors will be required to carefully trim around the larger trees that do not have mulch around them.
