Addendum #01

July 20, 2020

**IFB 21-B0003
Medical Supplies**

The purpose of this Addendum #01 to IFB 21-B0003 for Medical Supplies, dated July 15, 2020, is to answer the following questions:

1. Can a vendor bid on some, but not all, of the products listed?

No, a vendor must be able to provide all items in each category. Vendors are not required to bid on every category. They are welcome to bid on any and/or all categories in which they can provide every item that is listed.

2. There are no quantities listed on the product list. Is this a requirements contract with no fixed quantity as of yet?

The City of Myrtle Beach will order items on an "as needed" basis. Vendors are advised that over the life of the contract some items may be ordered frequently, while other items may not be ordered at all. The volume of orders will be contingent upon the City's changing needs. Please refer to page 22 of the bid, under the heading "Quantities" for more information.

3. Since this bid is for products only, is a bid bond still required with the response?

No, a bid bond is not required with the response.

Sealed bids are due no later than Wednesday, July 29, 2020 at 2:00PM (local time.) No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.

Thank you,
City of Myrtle Beach
