SUBJECT: Addendum #2 to Invitation For Bid, # 37655, Resurface L-512 Recreation Area Parking Lot

As a result of inquiries, the following clarifications/changes are provided for your information. Please make all appropriate changes to your bid documents. Note: changes are reflected with original language shown with strike-through and new language is underlined.

- Q1: Will striping be thermoplastic or Paint?  
A1: Waterborne pavement paint with no beads is sufficient
- Q2: Will temporary striping be required?  
A2: No, temporary striping is not necessary
- Q3: Is there an original site plan for this project that would show the lay-out for the striping?  
A3: The District cannot locate the original paving site plan, it is up to the contractor to ensure that the pavement markings are restriped per the existing configuration. This will be agreed to at the preconstruction meeting ahead of resurfacing.
- Q4: Does this work include the entrance road?  
A4: The work includes the entrance road to the CR-512 right-of-way.
- Q5: Does contractor pay for testing?  
A5: Yes, the contractor is paying for the testing.
- Q6: Is this a tax exempt project?  
A6: The St. Johns River Water Management District is tax-exempt, however any materials purchased by the Contractor or Subcontractor are subject to tax

**NOTE:** The Bid Due Date **remains** 2:00 p.m., **Thursday, March 31, 2022**

Please acknowledge receipt of this Addendum on the Bid FORM provided in the proposal package.
