

**Fort Mill School District
Fort Mill, South Carolina
Wireless Upgrades
RFP # FTML4-2024-001**

Addendum One – January 31st, 2024

Following are changes, additions, deletions, clarification, or additional information to the RFP. All addenda are considered a component of the RFP.

Changes / Clarifications to the RFP:

None.

The Following are E-Mail Questions and Answers through January 30th, 2024:

Question 1: *“I saw the section saying that the contract will extend through 2027. I wanted confirm that this was the length of service, and not the time frame for installation?”*

Answer 1: The District does upgrades every year so this is a 3 year contract to provide services each year depending on what needs to be done that year. Typically, this work is done over the summer while the schools are empty.
