INVITATION TO BID NO. 22-DES-ITB-474

ADDENDUM NO. 1

Arlington County Invitation to Bid No. 22-DES-ITB-474 for construction services for northwest Arlington signal upgrades is amended as follows:

1. FOLLOWING ARE ANSWERS TO QUESTIONS RECEIVED BY THE SOLICITATION DEADLINE

Question 1: Sheets 10B, 20B & 29B: Who is making the actual connection of the fiber optic line? DTS or the Contractor? If the contractor is responsible, is there a detail or spec we should reference regarding this service? Do you offer a list of approved vendors for this service? What line item will this work be paid under?

Answer 1: Please refer to Attachment C – Construction Drawings, Signal Notes (page 23), Section H, Subsection 2. All fiber optic cable installation, removal, splicing, and testing shall be performed by the County at the Contractor's expense. Contractor may contract directly with the County's fiber contractors. The County will provide the contact information for current qualified County fiber contractors. The work will be paid under each lump sum for Traffic Signal Upgrade work for the outlined intersections.

The balance of the solicitation remains unchanged.
