Question Number	Question	Answer
1.	Is Horry Schools open to a Custom App build, or are they specifically looking for a SaaS or off the shelf option?	HCS is not interested in a custom-built application.
2.	Does Horry Schools have a specific budget in mind for the App? If so, can that information be shared?	That information is not available.
3.	Just to confirm, the RFP is for the App only, not for hardware referenced. The RFP is simply referencing the hardware for login purposes, correct? ie – desktop/tablet, smart phones, etc.	This solicitation is for app only but possible materials, supplies and equipment can be ordered in the future.
