CITY OF SEBRING

AGENDA ITEM SUMMARY

MEETING DATE: August 2, 2022

PRESENTER: Boggus

AGENDA ITEM#: 8 H - Bid acceptance #22-010 to construct a new Sanitary Sewer Force Main (New Life Way US 27 N) and Budget Resolution No. 2022-13 and Budget Amendment No. 186

BACKGROUND: This sanitary sewer (force main) expansion project will provide service to the commercial properties along the west side of the US 27 corridor. These properties were annexed by the City on December 1, 2020. There is now a need to construct this force main in order to provide sewer service to existing business and new proposed commercial business within this section of the US 27 corridor. This section ranges from New Life Way and north to Grand Prix Drive.

Staff posted an Invitation to Bid (ITB) #22-010 on June 22, 2022. On July 19, 2022 all submitted seal bids were opened. Staff has recorded the bid amounts on a Tabulation Sheet. The low bid in the amount of \$112,767.00 was received from Go Underground Utilities, LLC. Staff has received a recommendation from Polston Engineering to accept the bid submitted from Go Underground Utilities, LLC.

The approved 2021-2022 fiscal year budget included \$175,000.00 to construct force mains needed to provide sanitary sewer service to the US 27 corridor. However, due to the need to fund other sewer projects that were not included in the budget, the sewer infrastructure account funds have been depleted. Attached for Council's consideration is Budget Resolution No. 2022-13 and Budget Amendment #186 which through a combination of a line item transfer within the adopted budget and a transfer from the Utilities Department's Fund Balance brought forward. The amount coming from the Department's Fund Balance for this project is \$71,622.00.

Attachments:

- A. ITB #22-010 Notice of Staff Recommendation and Tabulation Sheet.
- B. Polston Engineering, Inc. Bid Review and Recommendation Letter.
- C. Budget Resolution No. 2022-13
- D. Budget Amendment No. 186

For Council's consideration, Staff submits the following recommendations:

1. Accept Go Underground Utilities, LLC. Bid in the amount of \$112,767.00 to construct a new sanitary sewer Force Main from New Life Way to Grand Prix Drive
2. Approve Budget Resolution No. 2022-13
3. Approve Budget Amendment No. 186
4. Instruct the City's Attorney to prepare the necessary contract for the completion of this Project.

REQUESTED MOTION: Approve Staff's recommendations as presented

NOTICE OF STAFF RECOMMENDATION

DATE: July 26, 2022

BID: ITB 22-010

PROJECT NAME: New Life Way Force Main Extension

CONTRACTORS: Go Underground Utilities LLC

This notice is to inform all respondents to the above referenced solicitation of staff's intent to recommend that the Sebring City Council accept the submittal from Go Underground Utilities LLC, the lowest bidder, in accordance with the specifications of the above bid.

A final decision based on the best interest of the City of Sebring will be made by the City Council at the August 2, 2022 meeting.

Any person who is adversely affected by the agency decision or intended decision can file with the agency a notice of protest as directed in the City's Purchasing Policy within three (3) business days after the posting of the notice of staff recommendation.

City of Sebring
Attention: Bob Boggus, Utilities Director
368 South Commerce Avenue
Sebring, FL 33870

Re: City of Sebring - New Life Way Force Main Extension, ITB#22-010

Dear Bob,

The City of Sebring received five (5) bids for the City of Sebring - New Life Way Force Main Extension, ITB#22-010. We have reviewed the five (5) bids received for the project. Bids were submitted by Eastern Pipeline Construction Inc., Go Underground Utilities LLC, Excavation Point Inc., Killebrew Inc. and Cacique Utilities LLC. The apparent low bidder was Go Underground Utilities, LLC. with a bid of \$112,767.00, one hundred twelve thousand seven hundred sixty-seven dollars and no cents. To the best of my knowledge this bidder is qualified to do the work.

It is our recommendation that if the insurance and bond requirements are met, that the project be awarded to the low bidder Go Underground Utilities, LLC. for \$112,767.00, one hundred twelve thousand seven hundred sixty-seven dollars and no cents.

If you have any questions or need any additional information, please let me know.

Sincerely,

Roger Dale Polston, FL PE #33222
