ADDENDUM

Addendum #3 on bid #4580 Internet Wiring (E-Rate) of three Schools, making the following corrections and clarifications.

Question: It is specified as an equal product to the Commscope SystiMax Cabling, will an alternate be permitted?

Response: Anderson County Schools is always open to any and all bid proposals, however, we are specifically interested in receiving bids for the items specified in our bid package. It is important to us as a school district to use materials and hardware which match our current configuration and future plans... while purchasing materials and hardware which will serve the district for numerous years.

Sincerely,
