

Addendum 2223-010 3/2/2023

Are you specifically looking for an FFE firm or are you looking for an architectural firm to redesign/masterplan these spaces? [We are looking for a turnkey aesthetically update of the cafeteria spaces with graphic designs and new furniture.](#)

In the RFQ for Solicitation 2223-010, there is a form for a Cost Proposal. Under SC law, per Section of the Law 40-3-300, firms are not allowed to give exact fees in Statements of Qualifications. If selected for any projects, we will work closely with you to come up with mutually acceptable fees. [This is not a Request for Qualifications, this is a Request for Proposals \(RFP\). Price is a component on this bid unlike a request for qualifications. There are supplies and services that will be supplied through this bid for the turn key redesign.](#)

Are estimated cost ranges acceptable for the form? [The cost would be what it would cost to deliver the turnkey update that you have designed.](#)
