KCDC is using this addendum to answer the questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	There is some confusion within the list of housing units under Size and Number on page 16 of the Bid. 1 Bedroom/1 bathroom—Under Size it states that either the 5 units under Number have already been completed and are not in the Bid or other than the five 1Bedroom/1 bathroom units have been completed and the five units are in the Bid. Please clarify that the 5 units are in the Bid.
	There are 5-one bedroom units (912, 1001, 1005, 1102, & 1103) that have to have new flooring installed in them except for the bathroom.
Q2	2 Bedroom/1 bathroom—Under Size it states that 47 ½ baths need flooring. There are no ½ baths in this style of unit. Under Number it lists 47 units are in the Bid. It lists 46-need flooring in all rooms and then apartments 704 and 802 which would bring the total units to 48 not, 47. Please clarify how many units need flooring in all rooms. 3 Bedroom/1.5 bathroom—Under Number it lists 16 units. It states that 15 need flooring in the upstairs ½ baths. Does this mean that the only work in the 15 units is the upstairs ½ baths and that the rest of the rooms in those 15 units are not in the Bid?
	All two bedroom and three bedroom units need flooring installed in them. Units 704 & 802 (both two-bedroom units) need flooring installed downstairs only. Unit 204 needs flooring installed downstairs only.
