TO: All Bidders

FROM: Janice McClelland, Assistant Purchasing Agent

SUBJECT: Addendum No. 2 – Portable Radios for Public Assembly

BIDS TO BE OPENED: August 31, 2017\*\* (date correction), at 11:00:00 a.m.

This addendum becomes a part of the Contract Documents and modifies the original specifications as noted.

### **\*\*Item I. Correction of Dates on Previous Addendum**

The deadline for submission of bids hereby is postponed until 11:00:00 a.m. on August 31, 2017.

### **Item II. Responses to Questions Submitted to the Office of the Purchasing Agent**

**Q1. Under the miscellaneous pricing, do you want us to assume the accessories listed in this section (PMLN7269 & PMMN4073) are for 140 radios when we enter our total bid or are they not included in the bid total?**

A1. **IMPORTANT:** Bidders are STRONGLY ADVISED to be aware of this important point: the City has offered quantities **as estimates only**, and does **not** guarantee that it will purchase 140 or 90 or any number of radios or accessories. As stated in the Invitation to Bid, the City is seeking a "fixed price" agreement. **THEREFORE, BIDS ARE TO BE ENTERED AS PER UNIT PRICES ON ALL ITEMS LISTED ON THE PRICING SHEET. Do not offer the City an extended price for anything listed on the sheet.**

**Q2. The trade-in request is a little vague. Do we need to add a column to your spreadsheet or can we handwrite amounts and scan?**

A2. Bidders should print out the inventory sheets and note on them what, if any, trade-in value will be ascribed to the different radios listed.

**Q3. The Model# for the repeater as listed on the bid is for a VHF repeater. I believe you need UHF since your radios are listed as UHF. If so, the correct model # is AAR10QCGANQ1.**

A3. Yes, the City needs UHF repeaters comparable to the AAR10QCGANQ1.
