

OFFICE OF PROCUREMENT SERVICES
335 FOUR MILE ROAD
CONWAY, SC 29526-6005

AMENDMENT/ADDENDUM No. 1

Posting Date: Wednesday May 24, 2023

Solicitation Number: 2223-51MJ

Description: Provide, Deliver, & Install LED Signs at Elementary Schools – Phase 2

ADDENDA: Addenda shall be issued prior to the bid opening date and time for the purposes of modifying or interpreting the Contract Documents through additions, deletions, clarifications, or corrections. No addendum shall be issued later than four (4) days prior to the bid opening date except to a) withdraw the Invitation for Bids, or b) to postpone the bid opening date and time. When an addendum is issued for the purposes of postponing the bid opening date and time, the addendum shall establish the new bid opening date and time no earlier than five (5) days after the addendum issue date. Addenda shall be posted on the on-line bidding source(s) stated in the Invitation for Bids. A Bidder shall acknowledge receipt of all addenda issued by identifying the addendum number and the date of issuance with the Bidder's initials in the spaces provided on the Official Bid Form or the bid shall be found non-responsive in accordance with the District's Procurement Code. If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

INTERPRETATIONS AND CLARIFICATIONS: Requests for additional information or questions regarding error, omission or clarification of any portion of the Bid Documents or the Contract Documents or any addendum, shall be submitted in writing to the District Bid Contact Person stated in the Invitation for Bids by e-mail or facsimile no later than five (5) days prior to the bid opening date and time unless an earlier date is stated on the Invitation for Bids or as may be amended. Any interpretations, corrections, or changes to the Bid Documents or the Contract Documents made in any other manner than by a written addendum shall not be binding, and Bidders shall not rely upon them. Any information given a prospective Bidder concerning a solicitation will be furnished promptly to all other prospective bidders as an addendum to the solicitation if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective bidders. See clause entitled "Bidder Representations." We will not identify you in our answer to your question. The District seeks to permit maximum practicable competition. Bidders are urged to advise the Procurement Specialist – as soon as possible – regarding any aspect of this procurement, including any aspect of the solicitation that unnecessarily or inappropriately limits full and open competition.

QUESTIONS

Question Number	Question	Answer
1.	Are all type 3 signs structures and Watchfire 16mm LED being quoted on the included size specifications for the perspective schools?	No change. Yes, all Type 3 structures will be used as stated in the solicitation.
2.	Will the Sign contractor be responsible for installing all meter bases where meters are required?	Yes, the Sign contractor will be responsible for the meter base and all electrical work required for the sign to be operational. Refer to Revised Scope of Work Exhibit A.
3.	What type of power is there for the signs at Palmetto Bays & Seaside Elementary?	A meter will be required for the signs at Palmetto Bays and Seaside Elementary.
4.	Will Sign contractor be responsible for connecting power from new meter to new signage?	Yes
5.	Will Contractor be responsible for removal and disposal of all existing sign structures that are being replaced?	No change. Yes, the contractor will be responsible for the removal and disposal of all existing sign structures that are being replaced. Please refer back to exhibit A.

6.	As it states in the Main Cabinet specifications last bullet point for Type 2 the sign is to have to LED internal illumination. Please clarify that based on Attachment 2 in Exhibit B that the sign is to be non-illuminated.	The sign will be illuminated. Refer to revised exhibit A and B.
7.	As a bidder for this project, we will be providing the appropriate power connections for all the new signs. Any additional power requirements/electrical feed that needs to run from the school buildings to the signage will be provided by others.	No change. <i>"Any additional power requirements/electrical feed that needs to run from the school buildings to the signage will be provided by others."</i> This statement is incorrect. It will be the sign contractor's responsibility to provide power to the sign whether it is from the school building or a meter base. Please review exhibit A.
8.	Are brands other than Watchfire being considered?	No other alternates are being considered.
