Dewayne Kitson
Director of Maintenance

To: Dr. Curtis Cain and the Board of Education
From: Dewayne Kitson, Maintenance Director
Date: May 17, 2018
Subject: Maintenance to Resurface and Repaint Liberty High School Track

The Maintenance Department has recently completed the bid process for the maintenance of resurfacing and repainting Liberty High School's track.

The bid specifications were advertised in the newspaper, posted on the District's web page through Vendor Registry and emailed to three (3) vendors who met the specification criteria. As well as I walked two of those companies on the track personally. As a result, we received one (1) proposal.

The bid result is as follows:

1. Byrne & Jones Construction \$ 123, 530.00

Byrne & Jones Construction has provided all the required information and documentation in accordance with the district policies and procedures. The Wentzville School District has had previous quality work from Byrne & Jones.

I would like to recommend that the Board of Education approve Byrne & Jones Construction to complete the maintenance to resurface and repaint the Liberty High School track in the amount of \$ 123,530.00. The Maintenance Department currently has funds available in the budget for this project.
