RFP 2021-107
WATERFRONT PARK RESTORATION OF BENCH SWINGS
ADDENDUM 2
QUESTIONS & ANSWERS

This Addendum No. 2 to RFP 2021 - 107 Waterfront Park Restoration of Bench Swings is issued by the City of Beaufort Finance Department. Except as modified by this Addendum No. 2, all areas of the RFP not specifically mentioned in or affected by this Addendum shall remain unchanged.

- 1. Q. Do you have a specified scope of work? Just replace chains and hanging hardware and refinish wooden swings? Leave post and cross beam as it is?**

A. See page 5 of the RFP solicitation document. "Provide all labor, materials and services required to complete restoration of all twenty-seven (27) wood bench swings including but not limited to all damaged, deteriorated and/or missing wooden elements and hardware. Purchase new and replace all chains and brackets. The swings will remain on the current infrastructure which includes a steel beam and stone columns.
- 2. Q. What is the completion date?**

A. Delivery and installation must be completed by **March 1, 2021**
- 3. Q. Would the city consider replacing all of the swings with a composite material? Given the number of swings I think I could make it comparable to restoration of the current swings as labor would be considerably less.**

A. Not at this time.
- 4. Q. I have a wood sample I would like to submit with my Bid. May I submit along with the required email submission a hand delivered bid that includes my wood sample before the December 2, 2020 deadline?**

A. Yes, that would be fine.
