BID NO. ITB 19-021 ADDENDUM No. 2

Project.: Aggregate Materials

This addendum is being issued to address a question received.

Question:

1. Are the estimated quantities in the bid for a period of (5) years or only for (1) year?

Answer:

1 year. Please see the below correction in the ITB language.

ITB 19-021 – Aggregate Materials for Highlands County Asphalt Plant Page 13 of 36

SECTION IV. GENERAL SPECIFICATIONS FOR ITB 19-021

A. PURPOSE: Highlands County plans to produce approximately 25-30,000 tons of hot-mix asphalt products during the 2019-~~2023~~ 2020 Fiscal Year with an asphalt plant on landfill property at 12700 Arbuckle Creek Road; Sebring, FL 33870. The estimated quantity of each aggregate type noted below is approximate where actual purchases will vary based on final mix designs and available funding. Contractors will supply materials pursuant to issued purchase orders. Delivered price will be by truck to 12700 Arbuckle Creek Road, Sebring, FL. 33870 or by train car to a siding in Avon Park, Florida which has a capacity of 10 rock cars. Material delivered by truck would start within 7-days of order with the contractor.
