BID NO. ITB 19-021 ADDENDUM No. 3

Project.: Aggregate Materials

This addendum is being issued to correct the approximate amount of tonnage of asphalt products needed and to revise the due date of the bid. The bid form materials table is also being revised. See below.

Corrections:

SECTION IV. GENERAL SPECIFICATIONS FOR ITB 19-021

A. PURPOSE: Highlands County plans to produce approximately 60,000 tons of hot-mix asphalt products during the 2019-2020 Fiscal Year and 40,000 tons annually, thereafter, at the asphalt plant on landfill property at 12700 Arbuckle Creek Road; Sebring, FL 33870. The estimated quantity of each aggregate type noted below is approximate where actual purchases will vary based on final mix designs and available funding. Contractors will supply materials pursuant to issued purchase orders. Delivered price will be by truck to 12700 Arbuckle Creek Road, Sebring, FL. 33870. Material delivered by truck would start within 7-days of order with the contractor.

***Note: No train delivery. No siding available.*

D. BID DUE DATE AND LOCATION: Bids are due by 3:30 PM on Friday, October 11, 2019 at the Highlands County BOCC Purchasing Division located at 600 S Commerce Ave., Sebring, FL 33870.

See revised Bid Form materials table on the next page.

Entire revised bid document will be attached to this addendum. Please respond to this bid using the attached revised ITB document bid form.
