ON-DEMAND ENGINEERING SERVICES

Proposal Opening: Tuesday, November 14, 2017 at 3:00 p.m. (local time)
1600 Battle Creek Road, Morrow, GA

ADDENDUM # 2

Dated: November 1, 2017

Acknowledgment of receipt of this addendum **MUST BE SIGNED AND INCLUDED IN YOUR RESPONSE TO THE RFP.**

QUESTIONS:

- 1. Please confirm that the page limit for Sections 1-4 is 35 pages as shown in the excerpt from the RFP below instead of 30 pages as was verbally stated in the pre-proposal meeting today. Will you consider adding a couple of pages to the 35 page limit for these sections?**

Answer: The limit is 35 pages according to the RFP documents. We will not consider increasing the page limit.

- 2. We also would like to request a copy of all of the pre-proposal meeting sign-in sheets.**

Answer: A copy of the sign-in-sheet is provided on pages 3 through 8 of this Addendum.

- 3. During the pre-proposal meeting the CCWA Team mentioned that CCWA had existing contracts with three (3) SLBE firms. One was R2T, Inc. Can you provide the names of the other 2 SLBE firms? We have the document on the website, which shows 12 pages of different certified SLBE firms. Narrowing down to the Engineering firms, just wanted to verify the three you have contracts with right now.**

Answer: CCWA awarded four firms a master service agreement through the "On-Demand Engineering Services - Small Firm" RFP. The four firms include: Benchmark Management (CCWA SLBE), Engineering Strategies Inc. (CCWA SLBE), Integrated Science & Engineering, and R2T (CCWA SLBE). Per the RFP, priority for subcontracts should be given to our On-Demand Engineering – Small Firms and any firms certified in CCWA's SLBE program.

- 4. Under Section 2 – Company Experience, does CCWA want project descriptions listed under each category (A-E) and then a comprehensive**

matrix of our project experience, or only one matrix of project experience for each category?

Answer: Providing project descriptions with other pertinent information that would provide CCWA a thorough understanding of the firm's experience would be an appropriate response for this section of the RFP. CCWA would like a comprehensive matrix of project experience based on the items listed in Section 2.

5. Also, do the required forms each go under an individual tab or should they be included in an appendix?

Answer: It would be convenient for CCWA to have all required forms under an individual tab.

6. This email is to request an extension of one (1) week to Tuesday November 21st.

Answer: CCWA will not extend the proposal opening date. Proposal opening will be Tuesday, November 14, 2017.
