

RFB 2014 Boiling Springs Middle School Painting

ADDENDUM 2

May 22, 2020

This addendum is being released to make the following clarification:

The specification below applies to all window trim and exterior doors.

Exterior

Clean by removing all dirt, dust, loose paint, or any other foreign matter. Once the above step is complete, fill all cracks, holes, and divots with Zinsser MH Ready Patch and caulk with Weather-Tite 101 caulk. Allow to dry overnight before priming with Weather-Tite 6-6 Acrylic Latex Universal Primer. Once the area has been primed apply a top coat of Weather-Tite 1416 Acrylic Latex Gloss (Same As Existing).
