DATE ISSUED: April 14, 2020

---

ITB No. 20-004 – Paving Repairs - Bunyan Kessler Rd; Courthouse Rd; Elections New Parking Lot Addition dated April 2, 2020 is hereby amended as noted herein : BIDDER TO ACKNOWLEDGE RECEIPT OF ADDENDUM BY SIGNING ON THE SIGNATURE LINE BELOW AND INCLUDING A COPY WITH SUBMITTED BID. FAILURE TO DO SO MAY, AT THE OWNER'S DISCRETION, SUBJECT THE BIDDER TO DISQUALIFICATION

- 1) QUESTION: On page 01210-1 General Information- Courthouse Road- The line “ After completion of milling activities, install recycled asphaltic concrete patch surface course, Type II, Gp 2 only with bitumastic material and H lime.”  
a. GDOT does not have an asphalt mix Type II. I think that for a 4” deep patch with surface mix you will want to use Recycled Asphaltic Concrete 12.5mm Superpave  
ANSWER: This was a cut and paste error. The new Quantities Sheet will reflect the correction.
- 2) QUESTION: Also page 01210-1 General Information- Bunyan Kessler- The line “ After completion of milling activities, install recycled asphaltic concrete 12.5mm Superpave surface course, Type II, Gp 2 only with bitumastic material and H lime.”  
a. There is not a 12.5mm Superpave Type II asphalt mix. It is just Recycled Asphaltic Concrete 12.5mm Superpave  
ANSWER: This was a cut and paste error. The new Quantities Sheet will reflect the correction.
- 3) QUESTION: Also page 01210-1 General Information- New Asphalt Parking Area- The line “Install prime and tack coats and place new 2.0” asphaltic concrete, DOT Type 9.5mm Superpave surface course.”  
a. Now for the GDOT 9.5mm asphalt they do have a type 1 and a type II. For parking lot I would think you would use the Type 1 mix  
ANSWER: This was a cut and paste error. The new Quantities Sheet will reflect the correction.

## **ARTICLE 5 – CONTRACT PRICE**

5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to Paragraphs 5.01.A, below:

For all Unit Price Work, an amount equal to the sum of the established unit price for each separately identified item of Unit Price Work times the actual quantity of that item:
