Addendum # 1

The Request for Bids (RFB) for the above-named project is amended as noted in this Addendum. This Addendum consists of questions and Rockwood School District responses.

Questions and Responses

Question 1: Will all of the items require a logo? Will anything require embroidery?

Response: The Rockwood School District logo will be embroidered above shirt pockets or in the same position on all ordered shirts, sweatshirts, and jackets. Detailed information about the embroidered logo can be found in the original RFB.

Question 2: Will this be one bulk order, or will there be multiple orders as needed throughout the duration?

Response: Historically, the District has placed one bulk order in the fall and a few small orders throughout the remainder of the year as new employees have been hired. However, the District might consider placing only one bulk order for this year. Bidders must include any minimum ordering requirements in their bids.

Question 3: Would the District consider screen printing in lieu of embroidery?

Response: All ordered items must be embroidered as described above and in the original RFB.
