**RFP # 20454 - CMS Stage Decking
Addendum # 1**

**THE INITIALED & DATED COPY OF THE ADDENDUM MUST BE ATTACHED TO
YOUR BID RESPONSE**

Corrections on Quantities and a slight change to bid specifications:

Portage Public Schools is seeking modular decking that can be used as a stage surface or as three tiered seat risers in our versatile theater space. Specifications are below. Please quote only equivalent or better items and provide manufacturer's specifications for all items quoted. Items must work together to create a solid configuration as a stage, as well as three tiered seat risers.

- Decking – Eighteen (18) 4x8 foot deck surfaces with hardtop surface
- Legs –
 - Eighteen (18) 24" Elevated, Fixed Height Leg Sets
 - Eight (8) 32" Elevated, Fixed Height Leg Sets
 - Ten (10) 16" Elevated, Fixed Height Leg Sets
 - Ten (10) 8" Elevated, Fixed Height Leg Sets
 - Storage Cart(s) for Stage Decking. Quantity quoted must be enough to accommodate all decking above (since capacity varies by vendor)
- Guardrails for sides & back-
 - Ten (10) 8' Standard Guardrail
 - Nine (9) 4' Standard Guardrail
 - Guardrail Storage Cart(s) - Quantity quoted must be enough to accommodate all guardrails above (since capacity varies by vendor)
- Stairways –
 - Two (2) Stairways, 3 Step, 24/32" with Railing
- Drapery –
 - Drapery for fronts/sides at dual height 24/32"
 - Seven (7) 8 foot by 24"/32" Drapery, Black
 - Four (4) 4 foot x 24"/32" Drapery, Black

Connecters-

Enough connectors to properly secure 18 stage decks together.

Thank you,
