Questions Received

1. Just a clarification – Is the 10 page limit 10 pages single-sided (or 5 pages double sided) or would up to 10-pages double-sided be acceptable also?

10 pages double sided is acceptable.

2. I have a question regarding Section IV. of the RFP, Selection Criteria. Is the last bullet point, “*Participation of small, minority, women, and veteran owned business*”, a procurement goal of the City, or is it a requirement of the applicant to meet one of these categories to be considered?

Participation of small, minority, women, and veteran owned business is a goal and firms not meeting it are still encouraged to bid.
