

ADDENDUM NO. 1

BID NO: 150932 / 304637

DATE OF BID OPENING: April 6, 2017

TIME: 2:00 PM

DEPARTMENT: Waste Resources

COMMODITY: New and Replacement Paving and Concrete

**Q&A plus New Line Item (#24)**

**Q: Bid Item # 21 "After Hours Support": Please clarify what is/is not to be included in this item.**

**A: After hours support shall be a rate per hour for overtime per employee . Section 2.2.1.C specifies that the vendor shall perform the work on straight time , i.e. , non-emergency unless otherwise noted. Overtime, weekend, or holiday work shall only be performed at the City's direction . The intent of this bid item is to have a set rate for overtime work in those rare cases where emergency road repair is authorized by the city outside normal working hours.**

**Q: Bid Item #22 "Miscellaneous": Please clarify what is/is not to be included in this item**

**A: Miscellaneous shall include any item not specifically listed as a pay item on bid form . For example , stone backfill is not a pay item . In road repair , it is anticipated that there will be some items that are required that are not specifically listed as a pay item on the contract . Most incidentals are customary in the road repair and expected by the City to be provided at no additional charge . The intent of this bid item is for the vendor to provide a percent markup for those significant , but unknown at this time , items that may be needed to perform the work . Copies of original invoices shall be provided . Stone backfill or other specialized equipment that is unusual and not routinely used is to be covered under this pay item . This line in the bid form will allow the City to pay for miscellaneous items that could not be paid for otherwise .**

**Q: General Clarification Request: Is it possible to add an additional bid item for mobilization and traffic control per occurrence. If not, mobilization and traffic control will be added and included for each and every bid item.**

**A: Yes - An additional bid item for mobilization and traffic control per occurrence is added by this addendum. Use the attached bid sheets for bidding.**
