ADDENDUM #1 TO BID #22-100

BID NUMBER: 22-100

ISSUE DATE: Thursday, December 15, 2022

OPENING DATE: Wednesday, January 4, 2023

OPENING TIME: 2:30 PM ET

Pre-Bid Conference/Site Inspection: Voluntary-By Prior Appointment

PROCUREMENT FOR: Bulk (Transport) Delivery of Ultra Low Sulfur (ULS) Diesel Fuel

This addendum will amend **BID #22-100, Bulk (Transport) Delivery of Ultra Low Sulfur (ULS) Diesel Fuel** originally issued on Friday, December 9, 2022. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select "Bid Opportunities" from the Quick Links section.

Question 1: Can you please provide copies of TWO (2) INVOICES PER MONTH from your current Gasoline and Diesel contract delivered by your current vendor(s) and corresponding bill of ladings? Please only send the most recent 12 months.

Response: Please find copies of all invoices and bill of ladings from the past 12 months attached.

Question 2: If your fuel coordinator orders too much fuel and results in a spill, will the county be responsibility for the spill?

Response: No, spills are the responsibility of the Contractor. See item #14) CLEAN UP on page 6 of the original bid document.

Question 3: Have any addenda been released for this bid yet?

Response: As stated above, this is the 1st addendum.

Question 4: When will the next Council meeting take place following the bid due date?

Response: Tuesday, January 10th.

Question 5: What is the anticipated date of award?

Response: Sometime in January 2023.

Question 6: If awarded, what would the contract start date be?

Response: The effective date of the contract would be the 9th business day after award, which is typically the 2nd Monday after the awarded Council meeting.

Question 7: Is not accepting credit card payment going to reject us from this bid?

Response: No.

Question 8: Is the 5% local preference applied to the total price or just the mark-up per gallon?

Response: Mark-up per gallon.

Question 9: Is it required to allow the Fuel Truck access to our local terminal for filling? Or can we list that as an exception?

Response: Please list it as an exception.

Question 10: I am just wanting to confirm if you have the capability to pick up this fuel from the terminal or if it will have to be delivered.

Response: Please refer to the original bid document. We need it delivered.

ADDENDUM ACKNOWLEDGEMENT

BID #22-100

Bulk (Transport) Delivery of Ultra Low Sulfur (ULS) Diesel Fuel Mandatory Submittal Form

To be returned with the final proposal submission to Georgetown County.

NOT NEGOTIABLE

The property described below in apparent good order except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier to all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

This is to certify that the below named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.

Subject to capital section 7 of Conditions of applicable Bill of Lading, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement.

Carrier hereby certifies that the cargo tank used for this shipment is a proper container for the commodity loaded therein and complies with Department of Transportation specifications.

The carrier shall not make delivery of this shipment without payment
