Vendor: _____

Question 1: Are the enclosed projects open for site visits or do we need to be escorted with a city representative? **The properties should be open but you are more than welcome to ask Jonathan Rogers to escort you or show you them. His contact is jrogers@wilsonnc.org.**

Question 2: Could you please tell me if there is an estimated cost or budget for the above project? **Currently there is not cost or budget for the below project.**

Question 3: Can you provide the asbestos reports for these properties? And does the asbestos bid separate from the demo?? **The link below has the reports attached. Ideally we are looking for one contractor for these projects but may consider by property or pricing by asbestos vs. demo depending on what we get back and what is deemed in the best interest of the City.**
