A D D E N D U M # 1

Dated: March 10, 2016

***Acknowledgment of receipt of this addendum **MUST BE SIGNED AND INCLUDED
IN YOUR RESPONSE TO THE RFP.*****

QUESTIONS:

- 1. From pages 25 through 38, can you please tell me which signatures need to be included within the proposal?**

Answer: Considering pages "25 through 38" refer to the required Proposal forms (Cost Proposal Form, Proposer Qualification Information, Georgia Security and Immigration Compliance Act, Contractor Affidavit, Sub-Contractor Affidavit, and Agreement Form, this last one excluded from required submittals), the proposing company name needs to be provided on each of these forms, and an authorized officer must sign on behalf of the proposing company where applicable. Exception applies to the Sub-Contractor Affidavit Form, which must be signed by the Sub-Contractor's authorized officer or agent.

- 2. Does a VP have authority to sign RFP?**

Answer: The officer must have the authority to sign a RFP on behalf of his/her proposing company where the authorization is determined by the entity submitting the proposal. In most entities, a Vice President is an authorized officer however that does vary from entity to entity.
