Questions and Answers

1. How thick does the concrete slab have to be for the basketball unit foundations? What type of concrete do you need for this?
Basketball units are to be installed in accordance with the manufacturer's specifications.
2. Are there any days of the week work cannot be done?
No work can be done on Saturdays and Sundays.
3. What kind of time frame would Contractors have?
Anticipated timeline is 90 days from the issue date of the Notice to Proceed
4. How large should we make the Gifford High School stencil shown in Figure 6?
The logo stencil should be between 8 and 9 feet in diameter. The logo will be white on the maroon court.
5. Can you provide the previous winning bid?
No award was made based off of the previous bid.

Addendum 1

6. What exact rock base are you looking for?
Lime Stone Base Rock is preferred.
