SUBJECT: Addendum No. 2 – Customized Shelters and Table  
Covers

BIDS TO BE OPENED: April 14, 2022, at 2:30:00 p.m. (Eastern Time)

This addendum is being published to answer questions from potential bidders and becomes a part of the Contract Document and modifies the original specifications as noted.

**Question #1: What kind of design are looking for in these shelters? Are you looking for a bus shelter type or are you looking for a canopy (columns & Roof)? Do you have a layout or drawings of what you are going for?**

Response: We are looking for temporary, pop-up canopy type shelters. As such we do not have any drawings or layouts.

**Question #2: Are you able to supply a quote for the shelters only and exclude the rest of the items? Or we might be able to cover the signage, are we able to supply the shelter and the signage requested only for this bid?**

Response: All requested items must be quoted in order to be eligible for award.

**Question #3: We fabricated a fully pre-assembled "bus shelter" style shelter that is welded steel and has a smooth paint finish. You would just offload it from a truck bed and anchor it to a concrete pad, will this be acceptable?**

Response: No, this will not be acceptable.
