## ***ADDENDUM TWO***

Solicitation: 2018-030 Bells Ferry Road at Ridge Road  
Addendum Release Date: March 9, 2018

Question: Two of the Four Bid Documents posted to this website appear to be identical, is that intentional? Why are there 2 identical versions of the Terms and Conditions.

Answer: The Procurement Department inadvertently uploaded two of the same documents: "Cherokee County Standard Solicitation Terms and Conditions 05-11-17" and "2018Feb26-211232-Cherokee County Standard Solicitation Terms and Conditions 05-11-17". Either document can be referenced and used when completing the forms.

With this Addendum, the County's Standard Construction Services Agreement will be uploaded to the documents section of the RFB.
