The drawings and specifications dated October 22, 2018 are hereby amended as described in the following list of changes thereto:

A. SPECIFICATIONS

1. None.

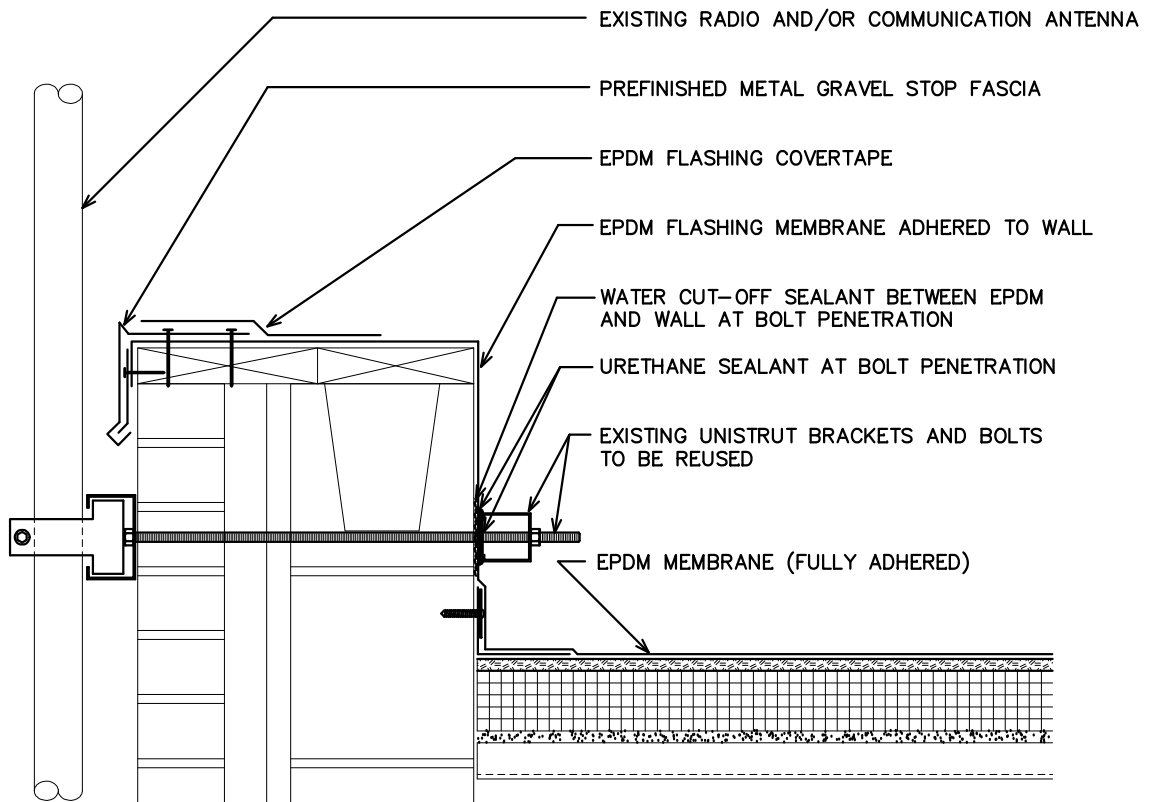

B. DRAWINGS

1. Insert Detail RF-1: This detail is to be used for the radio and/or communication antennas support bracket attachment to the parapet wall at Penthouse Roof Area "B".

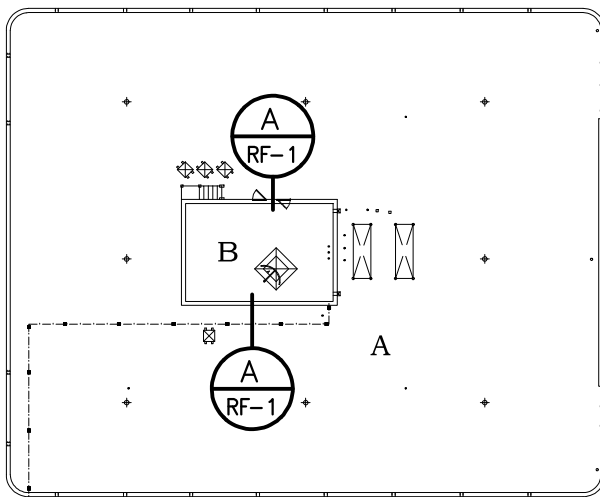

C. CLARIFICATIONS

1. Drawing R1.1 (General Notes): Note 7 – third paragraph should read "Install all new prefinished metal fascias and metal counterflashings." There are no metal copings. The conductor heads, downspouts, and scupper sleeves are to be reused as noted on Details A10/R2.1, A15/R2.1, & E1/R2.1.
2. Drawing R1.1 (Roof Plan): The Owner has disconnected the electrical service for the abandoned parapet signage on the east side of the building facing Main Street. The Contractor is to remove and dispose the sheet metal conduit box, conduit, junction boxes, wiring, and unused material related to the abandoned parapet signage.
