Modifications to Bid Documents:

The deadline for receipt of bids is extended to January 7, 2021 at 2:00 PM.

Questions and Answers

1. Where is the water source for the irrigation system? **There is no irrigation system as it is a conservation area. The proposed landscaping is Xeriscape and will need water only to be established. This can be accomplished in whatever method the contractor chooses. There will be water at the bathrooms, and a fire hydrant installed near the right-of-way that could get a temporary meter set and used. Also, can be watered via water truck.**
