ADDENDUM #1 TO BID #21-050

BID NUMBER: 21-050

ISSUE DATE: Thursday, December 16, 2021

OPENING DATE: Thursday, December 30, 2021

OPENING TIME: 3:00 PM (ET)

Pre-Bid Conference & Site Inspection: None

PROCUREMENT FOR: Stationary Compactor for Pleasant Hill Recycling Center

This addendum will amend **Bid #21-050, Stationary Compactor for Pleasant Hill Recycling Center** originally issued on Wednesday, December 8, 2021. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select "Bid Opportunities" from the Quick Links section.

Question #1: What is meant by the spec verbiage "self sealing"?

Response: What we refer to as self-sealing is a break away receiving container with an additional travel door. When the receiving container is pulled away from the stationary unit the travel door drops down over the opening and the wastes are sealed within.

Question #2: How will you be loading this compactor? Hopper? Will you be using an existing hopper. If so can you provide a picture and dimensions?

Response: These compactors are manually loaded from the ground. There is no hopper attachment. Currently, we use both open top compactors and units with a security enclosure. We are open to options. See pictures attached.
