

ADDENDUM NO. 2

DATE: October 29, 2018
TO: All Vendors 
FROM: Julie Smith Maxwell, Procurement Specialist
SUBJECT: Addendum No. 2 – FM P25 Compliant Two-Way Radio Equipment
BIDS DUE: November 2, 2018, at 11:00:00 a.m. Eastern Time

This addendum is being published to respond to a question asked by a potential bidder regarding the above-referenced Invitation to Bid. This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

Question 1: When do you expect to submit an order to the winning bidder? The reason for this question is we have to make a commitment to have everything installed and operational by March 31. Perhaps a more realistic way of stating this is everything must be installed and operational 90 or 120 days from order.

Response: The awarded contractor shall complete installation and have all radios fully operational no later than 120 days following bid award.
