Questions & Answers

1.) Can we get a list of vehicles within your fleet?

Answer: It is attached.

2.) How many Fords are within the Fleet?

Answer: That information is included in the attached.

3.) What is the annual spend amount for Fleet parts? (it is understood that this in no way obligates the municipality to continue to spend that amount, it simply signifies the volume of your fleet should you be unable to list actual fleet vehicles.)

Answer: Approximately \$90,000.
