

## **ADDENDUM NO. 2**

DATE: July 19, 2018

TO: All Bidders

FROM: Boyce H. Evans, Purchasing Agent 

SUBJECT: Addendum No. 2 - Fire Department Headquarters Roof Upgrade

BIDS TO BE OPENED: August 2, 2018, at 11:00:00 a.m. Eastern Time

This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

### **Plans and specifications:**

The plan sheets are now posted at the link provided to those who submitted a Bid Document Request form and are titled "1719\_KFD Reroof\_Permit Set.pdf". The file "1719\_KFD Reroof\_Final Spec.pdf" was removed from the page as it was a duplication of the technical specifications that are included in the complete project book.

### **Additional Site Visit:**

For any prospective contractor that desires to visit the site to take measurements or verify field conditions, the City Fire Department will allow access from 9:00 a.m. to 10:00 a.m. (Eastern Time) on Friday, July 20, 2018. Visitors must check in at the watch station. Staff will not be available to answer questions at this time. All future questions must be submitted in writing to the Purchasing Agent, Boyce Evans.

### **Project Coordination:**

This is an active, working fire station and the Contractor will be required to coordinate all activities in the execution of this project with the City of Knoxville Fire Department. Advanced notice of 48 hours is required for any activities that will block a bay door, displace staff parking areas, or affect the operation of this station in any way.

**END OF ADDENDUM NO. 2**
