The following questions have been received regarding this solicitation. The District's response is included below:

1. The bid states there is to be an integrated ballast with each fixture. The concern is that LED's do not use ballast, they are ran with drivers. Please confirm what you want.
We do want LED's with the drivers

2. Who is the energy provider for these schools (we will check to see if any rebates are available).

York Electric Cooperative

3. Do all current fixtures have emergency lighting, or are there a certain number in each gym?

A total of 14 (7 in each gym)
