Questions and Answers:

1. Can we submit a separate specification sheet for each item explaining the product and specs?

Yes.

2. How is the bid being tabulated for this section? Are they adding up each item submitted?

All items on the bid tabulation will be compared individually to determine the best value.

3. How are the items being submitted being compared. For Example: If a vendor submits pricing for a youth helmet (Middle School) and if a vendor submits pricing for a varsity helmet (High School). Same question for shoulder pads.

A bid tabulation will be created to compare all line items submitted from vendors.
