Re: FIRE STATION #22 REMODEL PROJECT

The RFQ process for the Fire Station #22 Remodel project has closed. We received two quotes within the allotted timeline; the results are as follows lowest price to highest:

- T.R. Orr, Kingman AZ.: \$ 1,121,600.00
- Woodruff Construction, Flagstaff AZ.: \$ 1,155,000.00

The city of Kingman is presently evaluating the quotes as they were both over budget. Thank you for your participation in this process.

Keith J. Eaton, Assistant Fire Chief
