Bid Issue Date: November 8, 2017
Addendum Issue Date: December 6, 2017
By: Melissa Hawk, Purchasing Manager

Vendor Name: _____
(A copy must be attached to the Addenda Acknowledgement Form)

All bidders and other interested parties are hereby notified of the following additions and/or revisions to the bid documents for the IFB #302-17 PARKING/ROADWAY MILLING/REPAVING AT VETERANS MEMORIAL PARK AND SENIOR SERVICES:

1. All other terms, conditions, dates and times remain in full force.

To follow are the questions and answers submitted:

QUESTION: Currently in addendum one on the bid form it states 2” Milling at 4,200 SY and 4” Milling at 2,000 SY. Should these quantities be reversed? 2” Milling needs to be 2,000 SY and the 4” Milling needs to be 4,200 SY. Because the large track gets the 4” Milling compared to the small area around the Gymnasium that gets 2” Milling.

ANSWER: Yes, this is correct. However, it will actually be slightly less due to the concrete being demoed. So the two are switched 4” Milling should be 4200 SY and the 2” Milling should be 2000 SY less the concrete demo area which was approx. 430 SY. So the total 2” Milling should be approximately 1570 SY.
