**ADDENDUM #2**

Date Issued: March 6, 2024

**This addendum is being released to address the following questions.**

1. Can the proposals be submittals online through Vendor Registry instead of submitting hard copies? When I open the email from Vendor Registry for the City of Callaway it has a red button to click to upload and submit bid online.

No, we can only accept paper hard copy submittals as we have the Evaluation Committee Meeting at 10:30 a.m. on same date March 12, 2024, after bid opening, and we will need the hard copies for review. Vendor Registry has been corrected, so that no submittals can be accepted online.
