ADDENDUM #1

Date Issued: March 4, 2024

This addendum is being released to address the following questions.

1. Could you please provide clarification—is the deadline for questions March 9th or March 12th. Page 2 of the RFQ indicates that all questions must be received at least three (3) calendar days prior to the scheduled opening of Bids/Proposals. But page 16 indicates that the last day for questions is March 12, 2024.

The March 12th date is a typo on page 16. The last day for questions would be Friday, March 9th.

2. What is the number of copies of the submittal that is requested? Pages 2, 5, and 17 of the RFQ indicate that submitters should include 3 copies. But page 13 says that 5 copies should be included?

This is a typo on page 13. Please provide one (1) original and three (3) copies.

3. Would the City consider the following changes to the agreement for services: ARTICLE 16 – PERSONNEL: The CONSULTANT ~~warrants~~ *represents* that all services shall be performed by skilled and competent personnel to the ~~highest~~ *prevailing* professional standards in the field.

This is something that can be discussed and possibly changed during the final Agreement with the awarded Firm.
