III. Background

The Knoxville Police Department’s current headquarters at the Safety Building on 800 Howard Baker Jr. Avenue, built 50 years ago, is antiquated and insufficient for the technology and space needed for the current KPD operations. In addition, areas of the Safety Building do not meet current fire safety and/or ADA accessibility standards. The space no longer accommodates the entire KPD staff and the KFD Administration staff currently leases space at a separate location. The City of Knoxville desires to renovate an existing site to house over 300 employees, vehicles, equipment, and the City courtroom. The City envisions a design that maximizes operational efficiencies, incorporates sustainable building practices to achieve LEED status (level to be determined at a future date), provides a secure facility while allowing access for the public and benefits to the overall community and/or neighborhood(s), and is practical and economically beneficial.

Each Statement of Qualifications will be initially analyzed and judged according to the evaluation criteria listed in Section VIII below. The maximum score is 100 points.

In addition to materials provided in the written responses to this Request for Qualifications, the Committee may request additional material, information, or references from the submitting entity or others.

Provided it is in the best interest of the City of Knoxville, the firm or team determined to be the most

The firm or team selected will be notified at the earliest practical date and invited to submit more comprehensive information if necessary. DIVERSITY BUSINESS ENTERPRISE (DBE) PROGRAM

The City of Knoxville strongly encourages prime contractors to employ diverse businesses in the fulfillment of contracts/projects for the City of Knoxville.

The City of Knoxville's Fiscal Year 201 goal is to conduct 4.03% of its business with minority-owned businesses, 16.30% of its business with woman-owned businesses, and 39.77% with small businesses.

While the City cannot engage (pursuant to state law) in preferential bidding practices, the City does **strongly encourage** prime contractors to seek out and hire diverse businesses in order to help the City meet its goals as stated above. As such, the City encourages prime contractors to seek out and consider competitive sub-bids and quotations from diverse businesses.

For DBE tracking purposes, the City requests that prime contractors who are bidding, proposing, or submitting statements of qualifications record whether or not they plan to employ DBE's as sub-contractors or consultants. With that in mind, please fill out, sign and submit (with your bid/proposal) the following sub-contractor/ consultant statement.
