PBA may use various words (e.g.: suppliers, vendors, bidders, proposers, firms, and contractors) to describe parties interested in this solicitation.

1.2 ACCEPTANCE: Suppliers shall hold their price firm and subject to acceptance by PBA for a period of ninety (90) days from the date of the proposal closing, unless otherwise indicated in their proposal.

1.3 ALTERNATIVE PROPOSALS: PBA will not accept alternate proposals (those not equal to specifications) unless authorized by the Request for Proposals (RFP).

1.4 AWARD: Award will be made to the most responsive, responsible supplier(s) meeting specifications, who presents the product(s) or service(s) that is in the best interest of PBA. A responsive supplier means an entity or individual who has submitted a response, which conforms in all material respects to the terms of a solicitation. A responsible supplier means an entity or individual with the capability in all respects (e.g., experience, personnel, equipment, and finances) to fully perform the contract requirements and the integrity and reliability that will assure good faith performance.

PBA reserves the right to award this RFP on an item-by-item basis, a schedule basis, an all or none basis, or by multiple award, whichever is in the best interest of PBA. PBA reserves the right to not award this solicitation. Award will be made in accordance with the evaluation criteria specified herein.

1.5 CLOSURES: During periods of closure due to unforeseen circumstances in Knox County or closures at the direction of PBA's Administrator/CEO, the Procurement Office will enact the following procedures regarding solicitations and closures:

- If the Administrator/CEO closes the administrative offices prior to the time set for a solicitation opening/closing on any business day, all solicitations due that same day will be moved to the next operational business day.
- Other unforeseen circumstances will be at the sole discretion of PBA's Director of Finance.
- PBA will not be liable for any commercial carrier's decision regarding deliveries during any unforeseen circumstances.

1.6 CONFLICTS OF INTEREST: PBA has adopted a resolution regarding conflicts of interest for employees and contractors. When submitting a response to the RFP, each supplier must certify that the submission is not the result of, or affected by, any unlawful act of collusion with any other person or company engaged in the same line of business or commerce or any other fraudulent act punishable under the laws of Tennessee or the United States of America or the State of Tennessee. Please see Attachments A, B, and C.

1.7 CONTRACTOR DEFAULT: PBA reserves the right, in case of contractor default, to procure the articles or services from other sources and hold the defaulting contractor responsible for any excess costs occasioned thereby. Should contractor default be due to a failure to perform or because of a request for a price increase, PBA reserves the right to remove the contractor from PBA's bidders' list for twenty-four (24) months.

- 1.8 COOPERATIVE PURCHASING:** Suppliers must indicate whether it is permissible for other governments in Tennessee to purchase these items or services at the same price. Freight charges can be adjusted to reflect differences in delivery costs.
- 1.9 COPIES:** PBA **requires** that proposals being submitted by hand be submitted with one (1) marked original and one (1) exact copy. PBA requests that submittals be concise with no duplication of answers.
- 1.10 DECLARATIVE STATEMENTS:** Any statement or words (e.g.: must, will, shall) are declarative statements and the supplier must comply with the condition. Failure to comply with any such condition may result in their proposal being deemed non-responsive and disqualified.
- 1.11 ELECTRONIC TRANSMISSION OF SUBMITTALS:** Due to the nature of this solicitation PBA's Procurement Office **will** accept electronically transmitted proposals through PBA's On-Line Procurement System. Facsimile and email submission are strictly prohibited.
- 1.12 ENTRANCE TO PBA SITES:** Only PBA badged employees of the successful contractor(s) are allowed on the premises of PBA buildings and projects. Contractor employees/subcontractors are NOT to be accompanied in their work area by acquaintances, family members, assistants, or any unauthorized persons. Only the contractor's personnel, having passed the security background check and issued a PBA badge, are authorized to be onsite. All authorized personnel are required to wear and display their PBA issued badge at all times while in a PBA facility.
- 1.13 EVALUATION OF TIE SOLICITATIONS:** A tie exists when two or more suppliers offer goods and/or services that meet all specifications, terms, and conditions at identical prices, including cash discount offered and any other value-based factors. A tie for quotes or bids will be broken by the following methods, in descending order of precedence:
- 1.13.1** Life Cycle Costing techniques would be utilized to determine the lifetime cost of the item from each supplier. If either item was more expensive over its lifetime, it would not be considered.
 - 1.13.2** Delivery factors such as lead times, schedules and cost could be considered.
 - 1.13.3** Locality would be a factor of the decision. If either supplier was local or if one supplier was in the state of Tennessee and the other one was not, the award can be made to the supplier having local ties.
 - 1.13.4** If no other method of breaking the tie is useful, a publicly witnessed drawing of lots or coin toss can be utilized.
 - 1.13.5** The responses could be rejected, and the item re-solicited.
- In the event that a proposal evaluation process results in two or more proposals receiving evaluation scores that tie for the rank of highest score, PBA will request best and final cost proposals from only those suppliers with scores that tie. PBA will then evaluate the best/final proposals from the tied suppliers to make a selection.
- 1.14 HOW TO DO BUSINESS:** PBA utilizes a web-based procurement software system, Vendor Registry. The system provides our clients with a more enhanced and end-user friendly means of accessing our services. The system allows for on-line supplier registration and maintenance as well as on-line retrieval and submittal of quotes, bids, and proposals for our supplier-clients.
- Prior to the closing of this RFP, *ALL PARTICIPATING SUPPLIERS* must be registered with the PBA Procurement Office. Registration may be completed online at <https://www.ktnpba.org>, Select the Register as a Vendor link to complete the registration process. There is a link for a "How To" guide on the website for your reference. If you have any questions, please contact the Procurement Office representative listed in Section 1.1 of this document.
- 1.15 INCURRED COSTS:** PBA will not be responsible for any costs incurred by the supplier in the preparation of their proposal.
- 1.16 MINORITY-OWNED, WOMEN-OWNED & DIVERSE BUSINESSES:** PBA encourages the meaningful participation of minority-owned businesses. It is the intent of PBA to maintain a minimum procurement goal of 10% participation from minority-owned, women-owned, small businesses, and/or diverse businesses.
- 1.17 MULTIPLE PROPOSALS:** PBA will consider multiple proposals that meet specifications.

1.18 NO CONTACT POLICY: After the date and time that the supplier receives this solicitation, any contact initiated by any supplier with any PBA representative concerning this RFP, other than the Procurement Office representative listed herein, is strictly prohibited. Any such unauthorized contact may cause the disqualification of the supplier from this procurement transaction.

1.19 PAYMENT METHOD: PBA utilizes two (2) methods of placing orders for products. The first is the use of Purchase Orders (P.O.). P.O.s will be issued from the PBA Procurement Office via email. The P.O. will detail the quantity, specific item(s) and the contracted price for each item. Orders placed using a P.O. will be paid by Electronic Funds Transfer (EFT). Successful contractor(s) will be asked to submit a new/updated EFT Authorization Form to confirm that PBA has correct banking information on file prior to the contract being fully executed.

The second method is the use of the PBA Credit Card (MasterCard). Orders placed on the credit card will list the same information as the P.O. Contractors will be given the card information and approval to process the transaction by the requesting department. Suppliers must indicate in their proposal if they will accept the PBA Credit Card (MasterCard) as a form of payment. Contractors are prohibited to charge PBA any type of merchant fee from their financial institution to accept this type of payment.

1.20 POSSESSION OF WEAPONS: All contractors and their employees and their agents are prohibited from possessing any weapons on PBA property without prior written consent from PBA. In the case of a contractor whose contract requires possession of firearms or other weapons to successfully complete their contract, contractor must provide personnel who are bonded to bear said weaponry.

1.21 PROCESSING TIME FOR PAYMENT: Contractors are advised that a minimum of thirty (30) days is required to process invoices for payment when the invoicing instructions herein are followed.

1.22 PROOF OF FINANCIAL AND BUSINESS CAPABILITY: Contractors must, upon request, furnish satisfactory evidence of their ability to furnish products and/or services in accordance with the terms and conditions of these specifications. PBA will make the final determination as to the contractor's ability.

1.23 PROPOSAL DELIVERY: PBA requires suppliers, when hand delivering proposals, to time and date stamp the envelope before submitting their response to the Procurement Office representative. The time clock in the Procurement Office will become the official record of time. PBA will not be responsible for technical difficulties experienced by suppliers trying to register or submit their proposal less than twenty-four (24) hours prior to the proposal's closing time. See Section 1.14 for information regarding required supplier registration.

Responses must be in a sealed envelope/box prior to entering the Procurement Office. Procurement Office and other PBA personnel are not allowed to see the submittal nor assist in placing documents in an envelope/box. Additionally, PBA is not responsible for providing materials (e.g.: envelopes, boxes, tape) for submittals.

1.24 PROPOSAL FORMAT: This solicitation is in the RFP format. At the specified date and time, each supplier's name will be publicly read aloud; no other details will be provided at that time. Evaluation of the submittals will proceed as expeditiously as possible and successful, as well as unsuccessful, notification will be given.

1.25 RECYCLING: PBA, in its continuing efforts to lessen the amount of landfill waste and to further recycling efforts, requests that proposals be submitted electronically using PBA's online portal. Proposals being submitted on paper must:

1.25.1 Be submitted on recycled paper;

1.25.2 Not include pages of unnecessary advertising.

1.26 RESTRICTIVE OR AMBIGUOUS SPECIFICATIONS: It is the responsibility of the prospective supplier to review the entire RFP packet and to notify the Procurement Office if the specifications are formulated in a manner that would unnecessarily restrict competition.

Any such protest or question regarding the specifications or solicitation procedures must be received by the Procurement Office no later than **4:30 p.m. Eastern Time on December 15, 2023**. These requirements also apply to specifications that are ambiguous.

- 1.27 SIGNING OF PROPOSALS:** In order to be considered, all submittals must be signed. **The original must be signed by a representative of the company authorized to contractually bind the company.** By signing the proposal document, the supplier acknowledges and accepts the terms and conditions stated in the document and will legally bind the supplier to PBA's request for goods and/or services.
- 1.28 SMOKING/TOBACCO POLICY:** Smoking, smokeless tobacco products, and electronic-cigarette use is prohibited in PBA managed buildings, including at any of the entrances or exits or within fifty feet of any doorway, as is currently designated and determined by federal regulations, which may change from time-to-time. Smoking is only permitted at the designated smoking areas beyond the 50-foot restriction. This policy applies to all contractors' employees and subcontractors. Smoking means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated tobacco or plant product intended for inhalation, in any manner or in any form. This policy also applies to Electronic Smoking Devices in all forms.
- 1.29 TAXES:** PBA direct purchases are not subject to taxation. Tax exemption certificates will be provided upon request.
- 1.30 TERM CONTRACTS:** If this solicitation results in a term contract, PBA must receive all general price decreases that other similar customers receive.
- 1.31 TITLE VI:** It is the policy of PBA that all its services and activities be administered in conformance with the requirements of Title VI. Contractors must comply with the President's Executive Order Nos. 11246 and 11375 which prohibit discrimination in employment regarding race, color, religion, sex, or national origin. Contractors must not maintain or provide for their employees any facilities that are segregated on the basis of race, color, religion, or national origin. Contractors must also comply with Title VI of the Civil Rights Act of 1964, Copeland Anti-kickback Act, the Contract Work Hours and Safety Standard Act, Section 402 of the Vietnam Veterans Adjustment Act of 1974 and Section 503 of the Rehabilitation Act of 1973, all of which are incorporated by reference.
- All contractors must comply with Title VI of the Civil Rights Act of 1964 as codified in 42 U.S.C. 2000d. The successful contractor(s) must follow Title VI guidelines in all areas including, but not limited to, hiring practices, open facilities, insurance, and wages. PBA reserves the right to review all compliance records to be completed by a contract compliance officer designated by PBA.
- 1.32 USE OF PROPOSAL FORMS:** Suppliers must complete the proposal forms contained in the solicitation package. Failure to complete the proposal forms may result in rejection of their submittal.
- 1.33 WAIVING OF INFORMALITIES:** PBA reserves the right to waive minor informalities or technicalities when it is in the best interest of PBA.

SECTION II OBLIGATIONS, RIGHTS AND REMEDIES

These terms and conditions shall be part of the contract. PBA reserves the right to negotiate other terms and conditions it deems appropriate and necessary under the circumstances to protect the public's trust.

- 2.1 ALTERATIONS OR AMENDMENTS:** No alterations, amendments, changes, modifications or additions to this contract shall be binding on PBA without the prior written approval of PBA.
- 2.2 APPROPRIATION:** In the event no funds are appropriated by PBA for the goods and/or services in any fiscal year or insufficient funds exist to purchase the goods and/or services, then the contract shall expire upon the expenditure of previously appropriated funds or the end of the current fiscal year, whichever occurs first, with no further obligations owed to or by either party.
- 2.3 ASSIGNMENT:** Contractor shall not assign or sub-contract this agreement, its obligations or rights hereunder to any party, company, partnership, incorporation or person without the prior written specific consent of PBA.
- 2.4 AWARD PROTEST PROCEDURES:** Occasionally there may be complaints from suppliers asserting the award process for a solicitation has been unfair in some manner. Any supplier who claims to be aggrieved in connection with a specific solicitation may pursue the following process for resolution. Suppliers who believe there has been a problem with the process or decisions should contact the buyer listed in Section 1.1 of the solicitation in question. Typically, the buyer will be able to explain PBA's rationale for the decision and the supplier will be satisfied. However, if the supplier is still not satisfied, the following steps may be taken.

The supplier may notify PBA's Director of Finance, in writing, within seven calendar days after the notice of the award or intent to award the contract is issued whichever is earlier. **PBA will not consider complaints filed electronically.** Complaints received more than seven calendar days after the notification of the award decision has been made will not be considered for review. The envelope in which the protest is mailed should be clearly marked "Protest of Award Decision." The written protest should include:

- 2.4.1 The name, address, and phone number of the protestor and the name of the supplier represented;
- 2.4.2 The solicitation name, solicitation number, date, and any other pertinent information;
- 2.4.3 A statement of reason for the protest and the resolution requested;
- 2.4.4 Any supporting documents, exhibits, or evidence to substantiate the protest; and
- 2.4.5 The original signature of the protestor.

The Director of Finance will review the protest and announce a decision in writing. Recognizing that delaying the procurement process any longer than necessary is detrimental to the interests of PBA, the Director of Finance will announce their decision as soon as possible. The decision will be made, and the protestor will be notified within five business days of the receipt of the protest.

If the protestor still is not satisfied, there is a final appeal process. The concerned protestor may file an appeal with the Administrator/CEO of PBA. This appeal must be filed within three business days from the issuance of the Director of Finance's decision. The Administrator/CEO will again review the information and the previous decisions. A decision will be made and issued within five business days.

In those cases where delaying the procurement process would endanger the health of the public served, cause additional and/or extensive damage to PBA or would adversely affect PBA programs, PBA will not stop the process. All documentation regarding the protest shall become part of the solicitation file.

- 2.5 **BACKGROUND CHECKS:** Any and all employees of the successful contractor's staff and their subcontractors' staff providing on-site services to PBA or assigned a project by PBA may be required to undergo a background check. The successful contractor(s) should allow up to five business days for an employee to be approved or denied for unescorted access within any PBA managed facility. Under no circumstances shall a contractor's or subcontractor's employee begin work on a PBA property or project prior to receiving authorization by PBA and obtaining a badge.

All costs associated with background checks will be the responsibility of the contractor. The costs for the background check and a badge, if required, will be charged at the current established rates listed in the PBA Background Check and Badge Procedure. Additional charges may apply. Firms may review and retrieve copies of the PBA Background Check and Badge Policy and the PBA Background Check and Badge Procedure documents on our website at www.ktnpba.org. Select the link for Doing Business with PBA; the documents are available under the Resources section.

PBA reserves the right to enforce different security requirements for different locations as required by law or by our client. If applicable, for projects occurring at school facilities or other locations where children may be present, the contractor must comply with the criminal background check requirements of T.C.A. § 49-5-413 and the contractor must submit all required information to PBA prior to commencing work on a project.

- 2.6 **BOOKS AND RECORDS:** Contractor shall maintain all books, documents, accounting records and/or other evidence pertaining to the goods and/or services provided under this contract and make such materials available at its offices at all reasonable times during the contract period and for three (3) years from the date of the final payment under this agreement for inspection by PBA or by any other governmental entity or agency participating in the funding of this agreement, or any authorized agents thereof; copies of said records to be furnished if requested. Such records shall include those books, documents and accounting records that represent the contractor's costs of manufacturing, acquiring, or delivering the products and/or services governed by this agreement.

- 2.7 **CHILD LABOR:** Contractor agrees that no products or services will be provided or performed under this contract which have been manufactured or assembled by child labor.

- 2.8 **COMPLIANCE WITH ALL LAWS:** Contractor is assumed to be familiar with and agrees to observe and comply with all federal, state, and local laws, statutes, ordinances, and regulations in any manner affecting the provision of goods and/or services, and all instructions and prohibitive orders issued regarding this work and shall obtain all necessary permits. All contractors must be properly licensed by the State of Tennessee and all other authorities having jurisdiction. A copy of each current license or permit must be submitted with the response. Failure to submit copies of these documents may lead to rejection of the proposal.

- 2.9 CONFLICTING PROVISIONS:** In the event of inconsistent or conflicting provisions of the contract and any documents related thereto (including but not limited to the RFPs, the submittal, the award, the special terms and conditions, the general terms and conditions, any subsequent project-specific contracts, the specifications, and the drawings) the provision that grants PBA the greater rights and/or imposes the greater obligations on the contractor shall prevail.
- 2.10 DEFAULT:** If contractor fails to perform or comply with any provision of this contract or the terms or conditions of any documents referenced and made a part hereof, PBA may terminate this contract, in whole or in part, and may consider such failure or noncompliance a breach of contract. PBA expressly retains all its rights and remedies provided by law in case of such breach, and no action by PBA shall constitute a waiver of any such rights or remedies. In the event of termination for default, PBA reserves the right to purchase its requirements elsewhere, with or without competitive solicitation.
- 2.11 GOVERNING LAW:** The resulting contract from this solicitation shall be governed by the laws of the State of Tennessee, and all obligations of the parties are performable in Knox County, Tennessee. The Chancery Court and/or the Circuit Court of Knox County, Tennessee, shall have exclusive and concurrent jurisdiction of any disputes which arise hereunder.
- 2.12 INCORPORATION:** All specifications, drawings, technical information, RFP, submittal, award, and similar items referred to or attached or which are the basis for this contract are deemed incorporated by reference as if set out fully herein.
- 2.13 INDEMNIFICATION/HOLD HARMLESS:** Contractor shall indemnify, defend, save and hold harmless PBA, its officers, agents and employees from all suits, claims, actions or damages of any nature brought because of, arising out of, or due to breach of the agreement by contractor, its subcontractors, suppliers, agents, or employees or due to any negligent act or occurrence or any omission or commission of contractor, their subcontractors, suppliers, agents or employees.
- 2.14 INDEPENDENT CONTRACTOR:** Contractor shall acknowledge that it and its employees serve as independent contractors and that PBA shall not be responsible for any payment, insurance, or incurred liability.
- 2.15 INSPECTION AND ACCEPTANCE:** Warranty periods shall not commence until PBA inspects and formally accepts the goods and/or services. The terms, conditions and timing of acceptance shall be determined by PBA. PBA reserves the right to reject any or all items or services not in conformance with applicable specifications, and contractor assumes the costs associated with such nonconformance. Acceptance of goods or services does not constitute a waiver of latent or hidden defects or defects not readily detectable by a reasonable person under the circumstances.
- 2.16 IRAN DIVESTMENT ACT:** By submission of their proposal, each supplier and each person signing on behalf of any supplier certifies, and in the case of a joint submittal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each supplier is not on the list created pursuant to Tennessee Code Annotated (TCA) § 12-12-106.
- 2.17 LIMITATIONS OF LIABILITY:** In no event shall PBA be liable for any indirect, incidental, consequential, special or exemplary damages, or lost profits, even if PBA has been advised of the possibility of such damages.
- 2.18 NON-BOYCOTT OF ISRAEL ACT:** By submission of their proposal, each supplier and each person signing on behalf of any supplier certifies, and in the case of a joint submittal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each supplier is not currently engaged in, and will not for the duration of the contract engage in, a boycott of Israel as defined by Tennessee Code Annotated § 12-4-119. Each supplier and each person signing on behalf of any supplier further certifies that each supplier is not on the list created pursuant to Tennessee Code Annotated (TCA) § 12-4-119. This provision shall not apply to contracts with a total value of less than Two Hundred Fifty Thousand Dollars (\$250,000) or to contractors with less than ten (10) employees.

2.19 NON-DISCRIMINATION AND NON-CONFLICT STATEMENT: Contractor agrees that no person on the grounds of handicap, age, race, color, religion, sex or national origin shall be excluded from participation in, or be denied benefits of, or be otherwise subjected to discrimination in the performance of this agreement or in the employment practices of contractor. Contractor shall upon request show proof of such non-discrimination and shall post in conspicuous places available to all employees and applicants notices of non-discrimination. Contractor covenants that it complies with the Fair Wage and Hour Laws, the National Labor Relations Act, and other federal and state employment laws as applicable. Contractor covenants that it does not engage in any illegal employment practices.

Contractor covenants that it has no public or private interest and shall not acquire directly or indirectly any interest, which would conflict in any manner with the provision of its goods or performance of its services. Contractor warrants that no part of the total contract amount provided herein shall be paid directly or indirectly to any officer or employee of PBA as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor, or consultant to contractor in connection with any goods provided or work contemplated or performed relative to the agreement.

2.20 PUBLIC RECORDS ACT: PBA is subject to the Tennessee Public Records Act § TCA 10-7-503 et seq. 2.22 RIGHT TO INSPECT: PBA reserves the right to make periodic inspections of the manner and means the service is performed or the goods are supplied.

2.23 SEVERABILITY: If any provision of this contract is declared illegal, void, or unenforceable, the remaining provisions shall not be affected but shall remain in force and in effect.

2.24 TAX COMPLIANCE: Contractor hereby acknowledges, by submission of its proposal and signature that it is current in its respective federal, state, county, and city taxes of whatever kind or nature and is not delinquent in any way. Delinquent status must be disclosed or risk debarment by the PBA Procurement Office.

2.25 TERMINATION: PBA may terminate this agreement with or without cause at any time, by written notice of termination to the contractor. If PBA terminates this Agreement, and such termination is not a result of a default by the contractor, the contractor shall be entitled to receive as its sole and exclusive remedy the following amounts from the Public Building Authority, and PBA shall have no further or other obligations to the contractor:

- a. the amount due to the contractor for work executed through the date of termination, not including any future fees, profits, or other compensation or payments which the contractor would have been entitled to receive if the project had not been terminated; and
- b. the direct out-of-pocket costs incurred by the contractor for demobilization of any then current project following receipt of the notice of termination, not to exceed the amount reasonably and actually required to demobilize the project.

Award will be based on Best Value. Best Value means more than low cost. It includes initial cost, service quality, and other factors detailed herein.

- 3.2 ACCEPTANCE:** Contractors are advised that the payment of an invoice does not necessarily constitute an acceptance of the services and/or goods that are provided. Acceptance requires a specific written action by PBA so stating.
- 3.3 ACCOUNT SET-UP:** The successful contractor(s) **will be required** to set up separate accounts for each PBA department that may use this term contract. Upon award of the contract, a list of all departments will be provided to the successful contractor(s). The term contract may be renewed for four (4) one-year periods, one (1) year at a time, for a possible total of five (5) years. The renewal option is at the discretion of PBA. PBA reserves the right to purchase these services from other sources if the need arises.

PBA reserves the right to revoke the award if a pattern of unavailability or other service issues arise with the contractor(s). Should PBA desire not to renew, no reason needs to be given.

- 3.7 CERTIFICATION:** Contractor's equipment operators must be certified in the proper operation of the equipment they will use under this term contract (e.g. CDL license). Certifications of technicians **must be included** in the response package. It will be the awarded contractor's responsibility to maintain current certifications with the PBA Procurement Office for the duration of the contract. Personal information (e.g., date of birth and home address) may be redacted.

Contractor(s) must obtain, at the contractor's expense, and submit copies with their proposal all permits and licenses required by law or ordinance and maintain the same in full force and effect for the full term of the contract.

- 3.8 CHANGES AFTER AWARD:** It is possible after award that PBA may change its needs or requirements. PBA reserves the right to make such changes after consultation with the contractor(s). Should additional costs arise, PBA reserves the right to consider accepting these charges provided the contractor(s) can document the increased costs. PBA also reserves the right to accept proposed service changes from the contractor(s) if they will lower the cost to PBA and/or provide improved service.

If the contractor performs any work knowing it to be contrary to such laws, ordinances, rules, and regulations, the contractor will bear all costs arising from them.

- 3.11 **CONTRACT EXECUTION:** The award of this RFP may result in a term contract between PBA and the successful contractor(s). Depending on the contract price, the contract may require the approval of the PBA Board of Directors. The PBA Procurement Office will draft the contract. The PBA Procurement Office **will not** accept any contractor's contract. If these types of Master Agreements, Service Agreements, Terms of Agreements or other contract agreements are submitted, they **will** be rejected. Contractors are hereby cautioned that no contract will be binding on PBA unless signed by the PBA Administrator/CEO, as appropriate.
- 3.12 **CONTRACTOR CONTACTS:** It will be essential to the success of this contract to develop a good working relationship with the contractor(s). It is imperative that the PBA account be handled efficiently and professionally. PBA should be assigned no more than two (2) contractor contacts to handle billing inquiries and service-related issues. In the event one (1) or both contacts leave the PBA account, the contractor will formally introduce the new contacts to PBA personnel. These contacts must be knowledgeable of PBA's account to avoid any interruption of service.
- 3.13 **DESTINATION AND DELIVERY:** Suppliers must include all destination and delivery charges in their price. **There will be no extra hidden charges.** Delivery will be FOB Destination. Each purchase order (P.O.) will be properly labeled with the specific delivery location. Supplier(s) may be required to coordinate with the PBA designee for deliveries, as applicable. Delivery times are between 6:30 a.m. and 1:00 p.m.
- 3.14 **DRUG-FREE WORKPLACE PROGRAM:** If contractor has five or more employees receiving pay, contractor must have a drug-free workplace program that complies with Title 50, Chapter 9 of the Code of Tennessee, must obtain a certificate of compliance with the applicable portions of the Drug-Free Workplace Act from the Department of Labor and Workforce, and must provide the Affidavit required by Public Acts, 2000, Chapter 918. Contractor will ensure that it is in compliance with Public Acts, 2000, Chapter No. 918.
- 3.15 **EVALUATION CRITERIA:** PBA will evaluate the submitted proposals and make a determination of the supplier, or suppliers, with which negotiations will ensue. The factors that will be considered in the evaluation of proposals are:

Company's Qualifications, Services, and Capabilities	40 Points
Company's Pricing and/or Discounts	35 Points
Guaranteed Number of Business Days for Product Availability	20 Points
References	5 Points

PBA reserves the right to ascertain if the prices submitted are realistic and within the competitive range for these products. PBA will consider past experiences and/or concerns with suppliers during the evaluation stage.

When an evaluation committee is used, the total of all scores received for each category will be averaged for a total amount not to exceed the maximum total score assigned for each category each criterion.

The award will not be based solely on the lowest price or the highest evaluation score on the above stated criteria. The award will be based on Best Value, which will be determined by PBA based on not only the price and the evaluation scores, but also all other factors stated in this RFP and each supplier's responses thereto.

- 3.16 **EVALUATION PROCEDURES:** PBA will incorporate the following review procedures in the evaluation of the submitted proposals.
 - 3.16.1 PBA reserves the right to eliminate proposals that are clearly non-responsive to the stated requirements.
 - 3.16.2 Each proposal received will be evaluated to determine if the supplier meets the minimum criteria and the degree to which the proposal is responsive to the requirements of this document. Therefore, suppliers must exercise particular care in reviewing the Proposal Format required for this RFP.
 - 3.16.3 The detailed evaluation that follows the initial examination may result in more than one finalist. At that point, PBA may request additional information or presentations by suppliers and/or carry out contract negotiations for the purpose of obtaining best and final offers.
 - 3.16.4 PBA reserves the right to visit the office(s) and/or site(s) of the supplier(s) in order to inspect the facilities and meet key personnel.
 - 3.16.5 PBA reserves the right to withdraw this RFP at any time and for any reason, and to issue such clarifications, modifications, and/or amendments as it may deem appropriate.
 - 3.16.6 Receipt of a proposal by PBA or a submission of a proposal to PBA offers no rights upon the supplier nor obligates PBA in any manner.

3.16.7 PBA reserves the right to waive minor informalities in proposals, provided that such action is in the best interest of PBA. Any such waiver will not modify any remaining requirements of the RFP or excuse the supplier from full compliance with the RFP's specifications and other contract requirements if the supplier is awarded the contract.

3.17 **EVALUATION REVIEW:** PBA reserves the right to use all pertinent information that might affect PBA's judgment as to the appropriateness of an award to the best evaluated supplier(s). This information may be appended to the proposal evaluation process results. Information on a service provider from reliable sources, and not within the service provider's submittal, may also be noted and made part of the evaluation file. PBA will have sole responsibility for determining a reliable source. PBA reserves the right to conduct written and/or oral discussions/interviews after the proposal closing. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award that is in the best interest of PBA.

3.18 **EXCEPTIONS TO SPECIFICATIONS:** Suppliers taking exception to any part or section of these specifications must indicate such exceptions in their submittal. Failure to indicate any exceptions will be interpreted as the supplier's intent to fully comply with the specifications as written. Conditional or qualified offers are subject to rejection in whole or in part. Any exceptions must be included in Tab VIII of the submittal. Do not strike through or in any other way alter the RFP. Exceptions listed within other sections of the submittal will not be reviewed or considered.

3.19 **FORCE MAJEURE:** The successful contractor(s) will not be held responsible for acts beyond the control of the parties to which a contract is awarded. PBA recognizes that national and/or international occurrences, unforeseen and beyond the control of the contractor, may impact distribution costs. The pricing offered as a result of this RFP is to be based upon known and calculated expenses; therefore, should unexpected occurrences (e.g.: natural disasters, drought, war) happen as stated above, the contractor(s) may request relief only for the duration of said occurrence.

3.20 **GRATUITIES AND KICKBACKS:** It will be a breach of ethical standards for any person or supplier to offer, give, or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim, or controversy or other particular matter, pertaining to any program requirement of a contract or sub-contract or to any solicitation or proposal therefore.

It will be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under PBA contracts.

3.21 **INSURANCE:** The successful contractor(s) must carry the insurance as indicated on the Insurance Attachment hereto. As proof of the contractor's willingness to obtain and maintain the insurance, the supplier must complete, sign, have their insurance agent sign, and submit the attachment with their proposal.

Upon the Notification of Intent to Award and prior to the contract being fully executed, the successful contractor(s) will be required to submit a Certificate of Insurance (COI) with the specified coverage and listing The Public Building Authority of the County of Knox and the City of Knoxville, Tennessee as additional insured; Endorsement Page(s) must be included. It will be the successful contractor's responsibility to keep a current COI and Endorsement Page(s) on file with the PBA Procurement office as long as the contract is in effect.

3.22 **INTERPRETATION:** No oral interpretation will be made to any supplier regarding the meaning of specifications. All questions regarding this RFP are to be submitted in writing or electronically (email) and will be answered in the form of an Addendum to the solicitation by the PBA Procurement Office.

3.23 **INVOICE DETAIL:** Until a P.O. is in place, a contract is fully executed, or a Notice to Proceed is issued, work is not to be performed nor are goods to be delivered. P.O.s, contracts, and NTPs authorize work and obligate payment. PBA does not have a legal obligation to pay for work performed or products provided without one of these documents in place.

PBA requires invoices show the following detail to help expedite review and payment. The contractor(s) may be required to modify invoicing procedures to show the detail. All potential contractors are hereby cautioned that PBA will only pay from original invoices and not facsimiles or copies.

PBA prefers invoices be sent electronically; electronic invoices should be emailed to invoices@ktnpba.org. Alternatively, invoices may be mailed to: Public Building Authority, ATTN: PBA Finance Department, PO Box 2505, Knoxville, TN 37901. Only one invoice method should be used. Invoices sent by facsimile **will not** be accepted. Invoices which do not adhere to these details may be returned to the contractor for correction. Invoices must meet all other criteria listed herein.

- 3.23.1 The invoice must show the amount due to the contractor by the PBA division or department.
- 3.23.2 Invoices must be submitted monthly. Invoices for an upgrade and improvement project must be submitted when the project is completed.
- 3.23.3 The invoice must show the P.O. number, if applicable. If a P.O. was not issued, the contract number should be listed.
- 3.23.4 The invoice must show an itemized detailed material count, including: the date(s) of delivery or service, the project location(s), the associated unit price as stated in the contract, and the quantity, if applicable.
- 3.23.5 Invoices are to be original and uniquely pre-numbered.
- 3.23.6 Invoices that do not show this information are subject to rejection.
- 3.23.7 Invoices are to be submitted within 60 days of the date the goods or services were delivered to PBA. PBA may deny invoices submitted after the 60-day threshold.
- 3.23.8 Separate invoicing procedures between the successful contractor(s) and other government agencies or departments must be arranged if using as a cooperative contract. Invoice/payment obligations are between the entity receiving services and the successful contractor(s).

3.24 **INVOICE REVIEW:** PBA will review all invoices for adherence to the terms and conditions of the contract. Variations from the contract and contract pricing are strictly prohibited. Any variations found on the invoice will result in the rejection of those invoices. Rejected invoices will be returned to the contractor(s) for correction. If a discount for prompt payment is offered, the timeline does not commence until PBA receives a correct invoice.

3.25 **INVOICING PROCEDURES:** PBA requests that invoices be easy to read and understand. Each participating agency to this contract may require different invoicing information and procedures. This information and procedures will be provided to the successful contractor(s) prior to contract execution. There will be no additional charges for this information and procedures to be included. Suppliers must submit a sample copy of their invoice along with their proposal; account information may be deleted.

Submission of an invoice and payment thereof shall not preclude PBA from requesting reimbursement or demanding a price adjustment in any case where the service rendered is found to deviate from the terms and conditions of the contract or where the billing was inaccurate. Contractor(s) shall provide, upon request from PBA, any and all information necessary to verify the accuracy of the billings. Such information will be provided in a commercially reasonable manner as requested by PBA.

Each department or division of PBA is responsible for its own budget. Departments cannot charge or pay bills for another department. Therefore, it is critical that your business invoices specify the department that desires to purchase from you. Do not credit payments to any other department's account. There will be no component billing. P.O.s are encumbered by the total sum on the P.O. and cannot be split for partial payment. Only under extenuating conditions and approval by the PBA Director of Finance will partial payments be considered. No guarantee is offered for partial payments. If a complete invoice, submitted in accordance with the guidelines stipulated herein, remains unpaid after thirty (30) days, please contact the PBA Finance Department at 865.215.4630 to determine its status. NOTE: The thirty (30) days does not start until PBA Finance has received an approved invoice.

There may be supplemental and/or additional invoicing and payment stipulations in addition to those listed herein that are applicable in more long-term projects. Any additional terms and conditions will be covered in other contractual documents.

3.26 **LIABILITY:** All collected materials/products shall become the liability of the contractor immediately upon the contractor's handling of collected materials/products and continuing thereafter. The contractor must agree to indemnify, defend and hold PBA harmless from all liability arising from transporting, collecting, or disposing of collected materials/products.

- 3.27 NEGOTIATION:** PBA may select a successful supplier on the basis of initial offers received without discussions. Therefore, each proposal must contain the supplier's best terms from a cost or price and service standpoint. PBA reserves the right to enter into contract negotiations including, but not limited to, rates and term with the highest-rated supplier. If PBA and the selected supplier cannot negotiate a successful agreement, PBA may terminate said negotiations and begin negotiations with the next highest-rated supplier. PBA retains the right to negotiate with multiple suppliers simultaneously. This process will continue until an agreement has been reached or all suppliers have been rejected. No supplier will have any rights against PBA arising from such negotiations.
- 3.28 NEW MATERIAL:** Unless specified otherwise in the proposal package, the supplier must provide new supplies. New, as used in this clause, means previously unused materials. Material includes, but is not limited to, raw material, parts, items, components, and end products. Supplier submission of other than new materials may be cause for the rejection of their proposal.
- 3.29 NEWS RELEASES BY CONTRACTORS:** As a matter of policy, PBA does not endorse the services of a contractor. A contractor will not make news releases concerning any resultant contract from this solicitation without the prior written approval of PBA.
- 3.30 OFFER WITHDRAWAL:** No proposal can be withdrawn after it is filed unless the supplier makes a request in writing to the PBA Procurement Office **prior** to the time set for the closing of the RFP or unless PBA fails to accept within ninety (90) days after the date fixed for closing the RFP.
- 3.31 PATENTS AND COPYRIGHTS:** The successful contractor(s) shall pay all royalties and assume all costs arising from the use of any invention, design, process, materials, equipment, product, or device in performance of the work, which is the subject of patent rights or copyrights. Contractor(s) shall, at their own expense, hold harmless and defend PBA against any claim, suit or proceeding brought against PBA which is based upon a claim, whether rightful or otherwise, that the work, or any part thereof, furnished under this Agreement, constitutes an infringement of any patent or copyright of the United States. The contractor(s) shall pay all damages and costs awarded against PBA.
- 3.32 PERFORMANCE AND PAYMENT BONDS:** The successful Contractor(s) may be required to submit a Performance Bond and a Payment Bond (each equal to 100% of the job cost) when any one project exceeds \$100,000 in value. The Bonds will be returned upon the successful and satisfactory completion of the project.
- 3.33 PERSONAL PROPERTY:** The successful contractor(s) will be fully responsible for all personal property located within the area where work is performed. This will include, but not be limited to: parking lot surfaces, sidewalks, benches, tables, fences and/or fence posts, vehicles, mailboxes, driveway culverts, flower gardens, poles, etc. The successful contractor(s) must make immediate notification to the appropriate PBA designee if damage occurs.
- The property owner, if applicable, must also be notified immediately and a course of corrective action discussed and agreed upon at the earliest possible time; in no event will the contractor(s) exceed 48 hours to notify the property owner of damage to their personal property.
- 3.34 PERSONNEL AND QUALIFICATIONS OF STAFF:** Supplier's response must include an organizational chart of the key personnel that will be available for work under the contract, if awarded. Resumes for key personnel should include their title, the number of years that they have been with your company, list of certifications and/or training achieved.
- 3.35 PRICING:** Contractor warrants that the unit price stated for all items will remain firm for a period of twelve (12) months from the first day of the contract period. If the contractor's price is increased after the initial year, PBA must be given a written notice to consider. Written notice must be received a minimum of ninety days prior to the contract renewal date. Such request must include at a minimum, (1) the cause for the adjustment; and (2) the amount of the change requested with documentation to support the requested adjustment. Price increases will only be considered at the renewal period(s). If the price increase is rejected, the contractor may:
- a. Continue with existing prices;
 - b. Submit a lower request for price increase;
 - c. Not accept the renewal offer.

Any price increase shall not exceed the Consumer Price Index (CPI) for all Urban Consumers or 5% whichever is less; the most recent month in effect at the time of the renewal(s) will be used to determine the CPI cap. If a price increase is approved by PBA, the approval notification will be done in writing and the contractor will be notified of the new price schedule and the effective date of the increase. This documentation will become part of the contract file. No approvals will be authorized verbally. Failure to make written request within deadline can result in rejection of the request by PBA. PBA will receive all price decreases that are passed on to the contractor during the contract period.

- 3.36 PROPOSAL CONTENT:** The supplier's response must contain a thorough description of the background of the supplier and sufficient evidence showing that the supplier is capable of providing the goods and/or services. The supplier's response must thoroughly expound on the supplier's understanding of how the proposed services will meet PBA's needs. The proposal must also contain an explanation of the supplier's ongoing commitment to service.
- 3.37 PROPOSAL EVALUATION:** In evaluating the proposals, PBA reserves the right to use any or all of the ideas from the proposals submitted without limitation and to accept any part or all of the successful proposal in selecting an operation which is judged to be in the best interest of PBA. All material submitted becomes the property of PBA.
- 3.38 QUALIFICATION OF SUPPLIERS:** Each supplier may be required, before the award of any contract, to show to the complete satisfaction of PBA's Director of Finance that it has the necessary facilities, ability, and financial resources to furnish the services specified herein in a satisfactory manner, and the supplier may also be required to show past history and references which will enable the Director of Finance to be satisfied as to the supplier's qualifications. Failure to qualify according to the foregoing requirements will justify rejection.
- 3.39 QUANTITIES:** PBA does not guarantee any quantities of services or materials to be purchased from this term contract.
- 3.40 REFERENCES:** Suppliers must submit a list of up to three (3) references with which you have provided this type of service within the past three (3) years; contracts must be of similar size and in effect for one (1) year or longer. Show the name of the agency or institution, person to contact, their telephone number and the nature and size of the contract. Do not list the Public Building Authority of the County of Knox and the City of Knoxville, Tennessee as a reference. References must be submitted on Attachment I of this RFP.

Each supplier is responsible for obtaining approval to submit and confirming the contact information provided for each reference. PBA will not be responsible for gathering additional information for references that are incomplete or incorrect. Reference verification forms that cannot be delivered with the contact information listed, not returned prior to the deadline listed on the form, or not returned at all will be evaluated accordingly.

- 3.41 REJECTION OF PROPOSALS:** PBA reserves the right to reject any and all proposals received as a result of this request and to waive any informality, technical defect or clerical error in any proposal, as the interests of PBA may require. Non-acceptance of any proposal will be devoid of any criticism of the proposal and of any implication that the proposal is deficient in any manner. Non-acceptance of any proposal will be construed as meaning simply that PBA does not deem the proposal to be acceptable or that another proposal was deemed to be more advantageous to PBA for the particular services proposed.
- 3.42 REMOVAL OF CONTRACTOR'S EMPLOYEES:** The successful contractor(s) agrees to utilize only experienced licensed, responsible, and capable people in the performance of the work. PBA may require that the successful contractor(s) remove from the job covered by this contract, employees who endanger persons or property or whose continued employment under this contract is inconsistent with the interest of PBA.
- 3.43 REPORTS:** Successful contractor(s) may be asked to generate needed reports or historical records. Examples include, but are not limited to: past purchases, dates of projects, maintenance and/or repair histories, and/or products used. PBA will expect to receive prompt and legible reports. There will be no additional costs for these reports, if requested.
- 3.44 SAFETY:** Contractor(s) will ensure that its employees observe and exercise all necessary caution and discretion so as to avoid injury to person or damage to property of any and all kinds. All buildings, appurtenances and furnishings must be protected by the contractor from damage, which might be done or caused by work performed under this contract. Such damage to the foregoing must be repaired and/or replaced by approved methods so as to restore the damaged areas to their original condition at the expense of the contractor.

The contractor(s) will be responsible for providing and for the placement of barricades, tarps, plastic, flag tape and other safety/traffic control equipment required to protect the public, surrounding areas, equipment, and vehicles. The flow of vehicular traffic shall not be impeded at any time during a project. The safety of the public is of primary concern to PBA. All costs for traffic control will be the responsibility of the contractor(s). PBA does not assume any responsibility for the protection of or for loss of materials from the time that the project operations commence until final acceptance of the work by the PBA designee.

- 3.45 SAFETY EFFORTS:** The contractor must exercise caution at all times for the protection of persons and property. The safety provisions of applicable laws, buildings, and construction codes must be observed. The contractor(s) must also comply with the requirements of the Occupational Safety and Health Act (OSHA) of 1970 and the revisions thereto.

Contractor(s) will be required to furnish their employees with the proper personal protective clothing and equipment. Contractor(s) will also be required to dispose of this clothing and equipment in compliance with all regulatory requirements.

- 3.46 SAFETY TRAINING:** The contractor is responsible for training their employees in safety and health regulations for the job, assuring compliance with OSHA, the Environmental Protection Agency (EPA) and any other Regulatory Agency. Suppliers, by submission of their proposal, also affirm that their employees working under this contract have been properly trained in the safe operation of any and all equipment to be used and in the safe application of quoted products and services to be used under this contract.

- 3.47 SUBMIT QUESTIONS:** Prospective contractors may submit questions concerning this solicitation until **4:30 p.m. Eastern Time on December 15, 2023**. Submit questions as noted in Section 1.1.

- 3.48 SUPPLIER INTERVIEWS:** PBA requests that suppliers demonstrate their capabilities as well as a thorough knowledge of the intent of this RFP. PBA reserves the right to request interviews to gain additional insight into the capabilities and features of the proposed services and to ask questions regarding any portion of same.

- 3.49 SUPPLIER OBLIGATION:** Each supplier must become fully acquainted with conditions relating to the scope and restrictions attending the execution of the work under this RFP. The failure or omission of a supplier to become acquainted with existing conditions will in no way relieve the supplier of any obligations with respect to this RFP or to the contract.

- 3.50 USE OF TRASH CONTAINERS:** Suppliers are advised that PBA policy does not allow contractor(s) to utilize on-site trash bins paid for by PBA. Contractor(s) will be responsible for removing and disposing of all debris associated with the work to be performed.

SECTION IV SPECIFICATIONS

- 4.1 SCOPE OF WORK:** PBA is seeking a contractor(s) for the provision of HVAC air filters for PBA managed properties. PBA has HVAC air filters that are changed out and ordered on a monthly, bi-monthly, quarterly, and annual basis. PBA may also order filters as needed outside of the mentioned schedule. PBA uses air filters with a MERV rating of 8 and 13. Some PBA properties require custom sizes to be manufactured and specialty filters (HEPA filters, carbon charcoal) as detailed in Section 6.1.

- 4.2 SUPPLIERS' RESPONSIBILITIES:** All work performed under this contract must be performed in accordance with all provisions of these specifications or plans and must be approved in writing by PBA. By submitting a proposal, the owner or their representative acknowledges and accepts this clause. The supplier(s) will be presumed to have made a reasonable review of the scope of services prior to the time of proposing and will be held responsible for all information available through the solicitation documentation, quote documentation, and/or inspection. The supplier(s) must immediately upon discovery, bring to the attention of PBA any conflicts that may occur among the various provisions of the specifications. Failure of the supplier(s) to bring conflicts or exceptions to the attention of PBA will allow PBA to require any changes deemed necessary before acceptance by PBA.

4.2.1 The supplier(s) will be required to have ample equipment and staff available to complete multiple orders simultaneously as required by PBA during the contract period.

4.2.2 The supplier(s) must have the ability to manufacture custom filter sizes or obtain custom filter sizes.

4.2.3 Supplier(s) must provide at least one employee with the ability to speak, read, write, and understand English so PBA's staff can communicate effectively with them.

- 4.2.4 The supplier(s) will waive standard carton quantities. While PBA will in most cases order more than one filter, if only a single filter is needed, there shall be no minimum or case quantities required.
- 4.2.5 PBA prefers to have available only complete orders for delivery and/or pick up. Partial orders will not be accepted without prior express verbal or written consent from the PBA designee.
- 4.2.6 The supplier(s) will make available the firm's order delivery and pickup procedures. PBA will place both delivery and pickup (will call) orders.
- 4.2.7 All orders will be properly labeled with the specific location listed on the P.O.
- 4.2.8 Provide all SDS information for any products used.
- 4.2.9 Changes in filter sizes may occur as upgraded equipment is installed. Filter size changes must be made accordingly with no interruption to filter availability.

4.3 **LICENSES:** Suppliers must provide with their response a copy of all current Tennessee, Knoxville, and Knox County licenses. **Failure to provide this information may be cause for rejection of the submittal.** It will be the responsibility of the awarded contractor(s) to maintain copies of current licenses on file with the PBA Procurement Office for the full term of the contract.

4.4 **AIR FILTERS:**

- 4.4.1 All air filters furnished must be new.
- 4.4.2 All air filters furnished must be of standard professional quality and workmanship.
- 4.4.3 All air filters furnished must be Energy Star rated, where available.
- 4.4.4 If disposable, the filter must be cardboard framed or suitable component.
- 4.4.5 All air filters furnished must be unitized (all one piece).
- 4.4.6 It is acceptable to use form rolled with a wire frame as part of the design.
- 4.4.7 All four media sides touching the outer perimeter of the die cut frame will be attached to the framework with a suitable bonding agent to prevent air bypass of the filter media.
- 4.4.8 The cross hatch bars of the die-cut frame will be bonded to the apex of the individual pleats on both the air entering and air exiting sides. Due to side access strength issues, the use of individual glued strips acting as a media retainer will not be allowed.
- 4.4.9 Be single ply media. The use of multiple layers of a thinner media to achieve loft is not acceptable.
- 4.4.10 Pleated filter media will be supported with an expanded wire that is attached to the air exiting side of the medium.
- 4.4.11 Any filter exceeding 36" in length will have stiffener(s) installed at proportional distance(s) from the ends to ensure strength and allow for front loading long filters without collapse. Filters exceeding 50" will have two stiffeners and those exceeding 70" will have three stiffeners. If two or more stiffeners are required, they will be located at equal distances from the filter's ends.
- 4.4.12 Stiffeners will be located on the downstream side of all air filters to allow for maximum dust collection area on the air entering side.
- 4.4.13 Gel tack incorporated into the filter element will:
 - Be non-migrating (feels sticky but will not transfer to the hand when touched)
 - Be non-drying (will not evaporate or re-condense onto the coils like oil coatings do)
 - Contain an anti-microbial additive to retard microbial growth in the filter
 - Be evenly dispersed through the entire filter element to enhance airborne allergen removal.
- 4.4.14 Some filters may require a capacity for moisture saturation without coming apart. A saturation test which involves soaking the filter in water will be required to verify air filter wet strength and PBA may request a copy of the saturation results if the supplier manufactures their own filters.

4.5 **PBA RESPONSIBILITIES:**

- 4.5.1 The PBA designee will be responsible for inspecting and final acceptance of orders.

4.6 **QUALITY:** All workmanship must meet or exceed all local, state, and federal OSHA regulations as well as best practices from professional trade organizations (e.g. Uniform Building Code, State and Local Building Codes).

4.7 **UPGRADE AND IMPROVEMENT PROJECTS:**

- 4.7.1 As budgets and priorities allow, PBA may request the contractor(s) to perform certain upgrades or defined projects in order to improve operations at certain facilities.

REQUEST FOR PROPOSALS NUMBER 2024.007
PUBLIC BUILDING AUTHORITY CODE OF ETHICS**

WHEREAS, the Public Building Authority of the County of Knox and the City of Knoxville, Tennessee (“PBA”) adopted on January 5, 1996 a conflicts of interest policy applicable to persons who submit bids or proposals or negotiate with respect to contracts to supply goods or services, and

WHEREAS, such conflicts of interest policy needs to be updated to correlate with PBA’s current Code of Ethics, which was adopted on January 28, 2008;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF PBA AS FOLLOWS:

General Statement

PBA is a public entity established by the County and the City. It is charged with the responsibility of acting in the best interests of the City and County and their citizens. Accordingly, PBA’s directors, officers and employees are held to the highest ethical standards and should:

- (i) conduct PBA’s affairs honestly, fairly, impartially and in good faith;
- (ii) avoid all situations that might lead to a real or apparent, material conflict between self-interest and the duties and responsibilities as an employee, officer or director;
- (iii) exercise good judgment to act within the spirit, as well as the letter, of this Code of Ethics, and seek guidance from appropriate persons, when necessary to follow an appropriate course of conduct; and
- (iv) take care to avoid any appearance of impropriety, and any circumstances that may raise questions about PBA’s honesty, impartiality, or reputation or otherwise cause embarrassment to PBA.

Section 1. Definitions

- 1.1 “PBA” means the entity which currently develops, constructs, owns, and/or maintains certain facilities on behalf of the City of Knoxville and Knox County pursuant to operating contracts with those entities.
- 1.2 “Covered Persons” means PBA personnel consisting of all full-time and part-time appointed officials and employees (whether compensated or not), including PBA’s directors and officers and the members of any separate board, commission, committee, authority, corporation, or other instrumentality appointed or created by PBA.
- 1.3 “Personal interest” means, for the purpose of disclosure of personal interests in accordance with this Code of Ethics:
 - (a) Any financial, ownership, or employment interest in the subject of a vote by PBA not otherwise regulated by state statutes on conflicts of interests; or
 - (b) Any financial, ownership, or employment interest in a matter to be regulated, supervised, or otherwise acted on in an official capacity; or
 - (c) Any such financial, ownership, or employment interest of the Covered Person’s spouse, parent(s), stepparent(s), grandparent(s), sibling(s), child(ren), stepchild(ren), nieces, nephews, and those related to a Covered Person by marriage.
 - (d) The words “employment interest” include a situation in which a Covered Person or a designated family member is negotiating possible employment with a person or organization that is the subject of the vote or that is to be regulated or supervised.
 - (e) In any situation in which a personal interest is also a conflict of interest under state law, the provisions of the state law take precedence over the provisions of this section.

1.4 "Ethics Officer" means PBA's ethics officer, who will be appointed to a four-year term by the Board of Directors of PBA. If the Ethics Officer's term of office, as a Director, is less than four years, the term of his or her appointment as Ethics Officer will be the balance of his or her term as a Director.

Section 2. Disclosure of Personal Interest in Voting Matters.

2.1 A Covered Person with the responsibility to vote on a measure shall disclose during the meeting at which the vote takes place, before the vote and to be included in the minutes, any personal interest that affects or that would lead a reasonable person to infer that it affects the official's or employee's vote on the measure.

2.2 In addition, the Covered Person shall recuse himself or herself from voting on the measure unless, in the judgment of the Ethics Officer, such personal interest is deemed to be de minimis, in which case recusal from voting on the measure is permissive rather than mandatory. In all other instances of a personal interest, following the disclosure thereof, the Covered Person shall recuse himself or herself from voting on the measure.

Section 3. Disclosure of Personal Interest in Nonvoting Matters.

3.1 A Covered Person who must exercise discretion relative to any matter other than casting a vote, and who has a personal interest in the matter that affects, or that would lead a reasonable person to infer that it affects, the exercise of the discretion, shall disclose, before the exercise of the discretion when possible, the interest. In addition, the Covered Person shall recuse himself or herself from the exercise of discretion in the matter. The Covered Person shall disclose the personal interest to the Ethics Officer, unless the Covered Person is an employee, in which case the employee shall disclose the interest in accordance with PBA's human resources policies and the reporting structure then in effect.

3.2 A Covered Person who has a personal interest or potential personal interest in a project with which PBA is involved, whether or not PBA may or may not be directly involved in any direct transaction with the Covered Person, should disclose that interest as required by Section 3.1 as soon as he/she is aware of the circumstances. The Ethics Officer, or PBA's management, as the case may be, may then recommend to the Board or Administrator that PBA withdraw from involvement in the project or may simply disclose the interest or potential interest to the Board of Directors for its consideration.

Section 9. Ethics Complaints.

- 9.1 Questions and complaints regarding violations of this Code of Ethics or of any violation of state law governing ethical conduct should be directed to the Ethics Officer, who is designated and appointed by PBA's Board of Directors. If the Ethics Officer is the subject of an alleged violation, the question or complaint shall be directed to the Chair of the Board of Directors, who may exercise any of the authority and powers vested in the Ethics Officer under this Section.
- 9.2 Except as otherwise provided in this Section 9, the Ethics Officer shall hear, review, and investigate any credible complaint against an appointed official or employee charging any violation of this Code, or may undertake an investigation on his or her own initiative when he or she acquires information indicating a possible violation. - 9.5 The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this Code of Ethics.
- 9.6 When a violation of this Code of Ethics also constitutes a violation of a personnel policy, rule, or regulation, or a civil service policy, rule, or regulation, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this Code of Ethics.

TENNESSEE CODE ANNOTATED TITLE 50 EMPLOYER AND EMPLOYEE
CHAPTER 9 DRUG-FREE WORKPLACE PROGRAMS
Current through the 2021 First Extraordinary and the 2021 Regular Sessions

§ 50-9-101

(a) It is the intent of the general assembly to promote drug-free workplaces in order that employers in this state be afforded the opportunity to maximize their levels of productivity, enhance their competitive positions in the marketplace and reach their desired levels of success without experiencing the costs, delays and tragedies associated with work-related accidents resulting from drug or alcohol abuse by employees. It is also the intent of the general assembly that employers obtaining certification as a drug-free workplace under rules promulgated by the bureau should be able to renew that certification on an annual basis without requiring repeated annual training of existing employees; provided, however, the employer certifies on a form prescribed by the bureau that all existing employees have undergone training at least once and have acknowledged annually in writing the existence of the employer's drug-free workplace policy. It is further the intent of the general assembly that drug and alcohol abuse be discouraged and that employees who choose to engage in drug or alcohol abuse face the risk of unemployment and the forfeiture of workers' compensation benefits.

(b) If an employer implements a drug-free workplace program in accordance with this chapter, which includes notice, education and procedural requirements for testing for drugs and alcohol pursuant to rules developed by the division, the covered employer may require the employee to submit to a test for the presence of drugs or alcohol and, if a drug or alcohol is found to be present in the employee's system at a level prescribed by statute or by rule adopted pursuant to this chapter, the employee may be terminated and forfeits eligibility for workers' compensation medical and indemnity benefits. However, a drug-free workplace program must require the covered employer to notify all employees that it is a condition of employment for an employee to refrain from reporting to work or working with the presence of drugs or alcohol in the employee's body and, if an injured employee refuses to submit to a test for drugs or alcohol, the employee forfeits eligibility for workers' compensation medical and indemnity benefits.

§ 50-9-113 State and local government construction contracts

(a) Each employer with five (5) or more employees receiving pay who contracts with the state or any local government to provide construction services or who is awarded a contract to provide construction services or who provides construction services to the state or local government shall submit an affidavit stating that the employer has a drug-free workplace program that complies with this chapter, in effect at the time of the submission of a bid at least to the extent required of governmental entities. Any private employer that certifies compliance with the drug-free workplace program, only to the extent required by this section, shall not receive any reduction in workers' compensation premiums and shall not be entitled to any other benefit provided by compliance with the drug-free workplace program set forth in this chapter. Nothing in this section shall be construed to reduce or diminish the rights or privileges of any private employer who has a drug-free workplace program that fully complies with this chapter. For purposes of compliance with this section, any private employer shall obtain a certificate of compliance with the applicable portions of the Drug-free Workplace Act from the department of labor and workforce development. No local government or state governmental entity shall enter into any contract or award a contract for construction services with an employer who does not comply with this section.

(b) If it is determined that an employer subject to this section has entered into a contract with a local government or state agency and the employer does not have a drug-free workplace pursuant to this section, the employer shall be prohibited from entering into another contract with any local government or state agency until the employer can prove compliance with the drug-free workplace program pursuant to this section. If the same employer again contracts with any local government or state agency and does not have a drug-free workplace program pursuant to this section, then the employer shall be prohibited from entering into another contract with any local government or state agency for not less than three (3) months from the date the violation was discovered and verified and shall be prohibited from entering into another contract until the employer complies with the drug-free workplace program pursuant to this section. If the same employer for a third time contracts with any local government or state agency and does not have a drug-free workplace program pursuant to this section, then the employer shall be prohibited from entering into another contract with any local government or state agency for not less than one (1) year from the date the violation was discovered and verified and shall be prohibited from entering into another contract until the employer complies with the drug-free workplace program pursuant to this section.

(c) A written affidavit by the principal officer of a covered employer provided to a local government at the time the bid or contract is submitted stating that the employer is in compliance with this section shall absolve the local government of all further responsibility under this section and any liability arising from the employer's compliance or failure of compliance with this section.
